Property Subject to this Declaration of Restrictions

Section 1. Section 2. The subdivider may extend the coverage of this Declaration of Restrictions to additional properties in accordance with its general plan of development. Any additions authorized under this section shall be made by filing of record a Supplementary Declaration of Restrictions with respect to the additional property, which shall extend the scheme of the covenants and restrictions of this Declaration to such property.

ARTICLE III.

Membership in the Association

Section 1. Subdivider has organized a non-profit Florida corporation known as Riverhaven Village Property Owners Association, Inc. which will have exclusive responsibility and authority in the management and maintenance of the lots and the Common Area it so designated and for the enforcement of the terms, conditions and covenants of this Declaration of Restrictions. Until the subdivider has initially sold the last lot now or hereafter subject to these covenants, or until such earlier time as Subdivider elects, it shall have the exclusive right and authority to appoint the directors of said Association.

Section 2. Each owner of a lot shall, by virtue of such ownership, be a member of the Association, by acceptance of a deed, contract for deed, or other instrument evidencing his ownership interest and upon compliance with other provisions herein pertaining to the acquisition and vesting of such ownership interest, accepts his membership in the Association, acknowledges the authority of it to manage, operate and maintain such facilities or such areas or amenities that may be assigned to it or accepted by it for such purpose, and agrees to abide by and be bound by the provisions of this Declaration of Restrictions, the Articles of Incorporation, By-Laws and other rules and regulations of the Association and by any and all rules and regulations heretofore and hereafter promulgated by it. It is understood and acknowledged that each owner is entitled to all of the rights, privileges and benefits of membership in the Association and that each owner shall have one vote for each lot which he owns.

Section 3. The Association may promulgate from time to time such reasonable rules and regulations governing the use and enjoyment of common areas as it deems necessary or desirable, including rules and regulations which may limit or temporarily prohibit the use of certain facilities and/or property.

ARTICLE IV.

Covenant for Assessments

Section 1. In order to provide, operate or maintain facilities or services including those that may not be otherwise available to the lots, when necessary or desirable as determined by the Association in its sole discretion, the Association is authorized by all of the owners to act in their behalf and is empowered to contract for the maintenance, repair or replacement of canals subject to governmental regulations, and common areas (all hereinafter sometimes referred to as "improvements") for Riverhaven Village development, and for such other activities as may be appropriate for the Association, including administrative expenses and expenses incurred in connection with the enforcement of these covenants and restrictions. Each owner shall be liable for and shall promptly pay to the Association a pro rata share of the cost of

BOOK 554 PAGE 2076

said improvements, including such sums as the Association may from time to time deem necessary to provide a reserve for operating expenses or as a fund for the prepayment of such anticipated expenses relating to the improvements. All of such costs shall be apportioned equally among the lots in the Subdivision, which have been subjected to these covenants, including those lots owned by the subdivider. Except that inland lot owners shall not be charged for canal maintenance, repair or replacement costs. Payment shall be due and payable immediately upon notification by the Association mailed to the Owner at his address as shown on the Association records, and a lien is hereby granted to secure payment thereof, which said lien may be foreclosed the same as if it were a mortgage upon the property. In the event such assessment is not paid within ten (10) days after the notification, such lien may be foreclosed, in which event all costs of collection thereof, including all costs and attorney's fees, shall also be paid and the same are also secured by the lien. The judgment of the Association in the letting of contracts and the raising or expenditure of funds therefor shall be final.

Section 2. Each such assessment, together with interest thereon and the cost of collection thereof as hereinbefore provided, shall also be the personal obligation of the person who was the owner at the time when the assessment became due.

Section 3. The Board of Directors of the Association shall fix the date and amount of any assessment hereunder at least thirty (30) days in advance of such date or period, and shall at that time prepare a roster of the owners of lots and the amounts and assessments applicable thereto, which shall be kept in the office of the Association. Written notice of any such assessment shall thereupon be sent to every Owner subject thereto. The Association shall upon demand at any time, furnish to any owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid, and any such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

ARTICLE V. Use Restrictions

Section 1. Single family lots in the Subdivision may be used solely for single family residential purposes and for no other purposes. No business buildings may be erected on said lands and no business may be conducted on any part thereof, nor shall any building or any portion thereof be used or maintained as a professional office. By way of illustration and not limitation, doctors are prohibited to have offices or dispense professional services (except on an emergency basis), and architects, authors, lawyers and the like are also likewise prohibited from maintaining offices for dispensing professional services.

Section 2. Areas designated from time to time as common areas shall be used, operated and maintained primarily for the use and enjoyment of lot owners. It is anticipated that the common areas will from time to time be the subject of further restrictions on a permanent or temporary basis by the Association to further the primary purposes thereof.

Section 3. No signs shall be erected or displayed on any single family lot or on any structure in the Subdivision by any person except the Subdivider or Association, or with the written permission of the Association.

The plans, specifications and location of all construction thereunder, and every alteration of any building or structure shall be in accordance with the building, plumbing and electrical codes of the Citrus County Building Code. Each owner is responsible for complying with all of the covenants contained herein and shall notify any and all persons who may be using the Owner's premises of these restrictions and covenants. Refusal of approval of plans and specifications, location and plot plan, by the Subdivider or Association may be based on any ground, including purely esthetic grounds, in the sole and absolute discretion of the Subdivider or Association.

No such truck or commercial type vehicle shall be parked on any street in the Subdivision except while engaged in transporting goods or furnishing services to or from a residence in the Subdivision during normal business hours.

Section 6. No lot or parcel shall be increased in size by filling in the water it abuts. The elevation of a lot may be changed only to provide for flood protection. No rock, sand, gravel or clay shall be excavated or removed from any property for commercial purposes.

Section 7. When the construction of any building is once begun, work thereon must be prosecuted diligently and must be completed within a reasonable time.

Section 8. No owner of any part of the property will do or permit to be done any act upon his property which may be or is or may become a nuisance.

Section 10. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All sanitary equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. No containers shall be permitted to be visible from the street except on collection days.

Section 11. No septic tanks will be permitted on any lot within this Subdivision, and the collection system located in the Subdivision shall be used for the service of the premises, except Lots 1, 2, 5, 6 and 9, Block 49.

Section 12. Clothes lines or drying yards shall be so located so as not to be visible from the street serving the premises or from the waterways.

Section 13. No trailers, including boats and boat trailers or habitable motor vehicles of any nature shall be kept on or stored on any part of the property except within an enclosed garage or an approved enclosure which totally screens the unit from view of adjacent neighbors or the public streets.

Section 14. No boat houses shall be permitted. Boat docks, the highest projection of which shall not exceed the elevation of the land adjoining such docks shall be permitted to be constructed adjoining any waterfront lot. Variation of boat dock elevation may be permitted with the specific written consent of the Subdivider or the Home Owners Association, except that no such dock shall be erected, constructed, maintained or permitted which will extend beyond four feet (4') from the lot line paralleling and adjoining the waterfront of those lots which abut the canals within Riverhaven Village. No discharge or refuse shall be permitted from docks into the waters. All dock erection, construction, maintenance, permission, final size, placement and use shall be subject to the approval of the Architectural Review Board and any applicable governmental requirements and/or agencies.

Section 15. No weeds, underbrush, or other unsightly growth shall be permitted to grow or remain upon any part of the property.

Section 19. No boat exceeding approximately thirty feet (30') in length or approximately ten feet (10') in width shall be permitted to be docked or tied to or at any waterfront lots which abut the canals within Riverhaven Village. No boat shall be anchored off shore either in the canals or in the Homosassa River or Price's Creek and when not in use, all boats shall be moved as close to the bank as safety allows to the end that navigation of the river and canals will not be impeded. No boat or other water conveyance shall be operated in any canal, at any time a speed in excess of 5 m.p.h., or in such a manner as to create hazardous conditions or excessive wake or noise.

Section 20. So long as a cable or community television antenna service is available to lots subject to these covenants, the use of any individual external television antenna on any lot is prohibited.

Section 21. No seawall, rip-rap, or other similar construction shall be permitted on the waterfront boundary of any lot without the express written permission of the Association. Any application for permission shall be accompanied by written proof that the permitting requirements of such local or state agencies as have jurisdiction have been met.

ARTICLE VIII. Maintenance of Premises

Section 1. In order to maintain the standards of this Subdivision, no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere on a residential lot. In the event that any Owner shall fail or refuse to keep the premises free of unsightly objects, then the Subdivider or Association may enter upon said lots and remove the same at the expense of Owner, and such entry shall not be deemed a trespass. The property, buildings, improvements and appurtenances shall be kept in good, safe, clean, neat and attractive condition, and all buildings and structures shall be maintained in a finished, painted and attractive condition. Upon failure to so maintain the property, buildings and structures to the satisfaction of the Association, and upon the Owner's failure to make such corrections within thirty (30) days of written notice by the Association, the Association may enter upon the premises and make such improvements or corrections as may be necessary, the cost of which shall be paid for by the Owner. The Association may require the Owner to deposit with it the estimated cost thereof as determined by the Association. If any Owner fails to make payment within thirty (30) days after requested to do so by the Association, then the payment requested shall constitute a lien against the Owner's lot and be foreclosed under Article V hereof as though it were a lien thereunder (except the total amount thereof shall be assessed against such Owner's lot).

ARTICLE IX. Nuisances

Section 1. Nothing shall be done on any lot or lots which may be or may become an annoyance or nuisance to the neighborhood. In the event of any question as to what may be or may become a nuisance, such question shall be decided by the Association and its decision shall be final.

ARTICLE X. Remedies for Violations

Section 1. Violations or any breach of any restriction or covenant herein contained by any Owner shall give the Subdivider or Association in addition to all other remedies, the right to proceed at law or in equity to compel compliance with the terms of said restrictions or covenants, and to prevent the violation or breach of any of them. Any delay by the Subdivider or Association in enforcing any of the restrictions or covenants herein contained, no matter how long continued, shall not constitute a waiver of such restrictions or covenants, nor a waiver of its right to enforce them.

554 PAGE 2080

ARTICLE XI
General Provisions

Section 1. Notice to the Association or requests for approval of plans, specifications and location of buildings shall be in writing and delivered or mailed to the Association at its principal place of business as shown by the records of the Secretary of State of the State of Florida.

Section 3. There is hereby reserved for the purpose of installing and maintaining common utility facilities and for such other purposes incidental to the development of the Subdivision those easements either of record and/or shown on the plat as "Utility Easements." Any claims or damages arising out of the construction, maintenance and repair of utilities or on account of temporary or other inconvenience caused thereby against the Subdivider, Association or any of their agents are hereby waived by the Owners.

Section 4. None of the lots in the Subdivision shall be divided nor sold except as a whole, without the written approval of the Association.

Section 5. The Subdivider reserves the right to modify or amend the plat to correct engineering or survey errors or omissions; re-align, relocate or add to utility easements if required to do so by companies furnishing utilities to the Subdivision, or redesign or relocate roads or thoroughfares. No such amendment will ever eliminate road access to any lot.

Section 6. The Subdivider or Association herein shall not in any way or manner be held liable or responsible for any violation of these restrictions by any person other than itself.

Section 7. The herein contained agreements, covenants, conditions and restrictions shall constitute an easement and servitude in and upon the real property subjected to this instrument, and they shall run with the land and shall inure to the benefit of and be binding upon and enforceable by the Subdivider and/or Association for a period of forty (40) years from the date these covenants are recorded, after which time same covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then Owners has been recorded, agreeing to change said covenants in whole or in part. Failure of said Subdivider and/or Association to enforce any building restriction, covenant, condition, obligation, reservation, right, power or charge herein contained, however long continued, shall in no event be deemed a waiver of the said right to enforce thereafter as to the same breach or violation or as to any other breach or violation occurring prior or subsequent thereto.

ARTICLE XII.
Central Sewage Disposal System

Section 1. A central sewage disposal system is being constructed by the Subdivider and said system shall be owned and operated by the Subdivider pursuant to a Certificate of Convenience and Necessity issued by the Florida Public Service Commission in accordance with its regulations and the rules of Florida. Revitalized Declaration of Restrictions of Riverhaven Village, originally recorded in Official Records Book 419, Page 468, et. seq., of the Public Records of Citrus County, Florida

ARTICLE I.
Definitions

Section 1. The following words, when used in this Declaration of Restrictions or any Supplemental Declaration of Restrictions (unless the context shall prohibit), shall have the following meanings:

- (a) "Subdivider" means Homosassa Springs, Inc., a Florida corporation, its successors or assigns of any or all of its rights under this Declaration of Restrictions.
- (b) "Association" means the Riverhaven Village Property Owner's Association, Inc., a Florida corporation not for profit, its successors or assigns of any or all of its rights under this Declaration of Restrictions.
- (c) "Owner" or "Owners" means the owner or owners of any lots in the Subdivision, now or hereinafter subject to these covenants, their heirs, successors, legal representatives or assigns.
- (d) "Subdivision" means such portions of Riverhaven Village being a development of the property shown on the Plat, as may from time to time be subjected to these covenants.
- (e) "Lots" means one of the numbered lots in the Subdivision, which has been subjected to this Declaration by recorded instrument.
- (f) "Common Areas" means such area within the Plat of Riverhaven Village as might be designated from time to time by the Subdivider, by recorded instrument, and made subject to these covenants.

ARTICLE II.

Property Subject to this Declaration of Restrictions

Section 1. The property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration of Restrictions is located in Citrus County, Florida, and described at Exhibit "A" hereof.

Section 2. The Subdivider may extend the coverage of this Declaration of Restrictions to additional properties in accordance with its general plan of development. Any additions authorized under this section shall be made by filing of record a Supplementary Declaration of Restrictions with respect to the additional property, which shall extend the scheme of the covenants and restrictions of this Declaration to such property.

ARTICLE III.

Membership in the Association

Section 1. Subdivider has organized a non-profit Florida corporation known as Riverhaven Village Property Owners' Association, Inc. which will have exclusive responsibility and authority in the

management and maintenance of the lots and the Common Area it so designated and for the enforcement of the terms, conditions and covenants of this Declaration of Restrictions. Until the Subdivider has initially sold the last lot now or hereafter subject to these covenants, or until such earlier time as Subdivider elects, it shall have the exclusive right and authority to appoint the directors of said Association.

Section 2. Each owner of a lot shall, by virtue of such ownership, be a member of the Association, by acceptance of a deed, contract for deed, or other instrument evidencing his ownership interest and upon compliance with other provisions herein pertaining to the acquisition and vesting of such ownership interest, accepts his membership in the Association, acknowledges the authority of it to manage, operate and maintain such facilities or such areas or amenities that may be assigned to or accepted by it for such purpose, and agrees to abide by and be bound by the provisions of this Declaration of Restrictions, the Articles of Incorporation, By-Laws and other rules and regulations of the Association and by any and all rules and regulations heretofore and hereafter promulgated by it. It is understood and acknowledged that each owner is entitled to all of the rights, privileges and benefits of membership in the Association and that each owner shall have one vote in the management of the affairs of the Association for each lot which he owns.

Section 3. The Association may promulgate from time to time such reasonable rules and regulations governing the use and enjoyment of common areas as it deems necessary or desirable, including rules and regulations which may limit or temporarily prohibit the use of certain facilities and/or property.

ARTICLE IV.

Covenant for Assessments

Section 1. In order to provide, operate or maintain facilities or services including those that may not be otherwise available to the lots, when necessary or desirable as determined by the association in its sole discretion, the association is authorized by all of the owners to act in their behalf and is empowered to contract for the maintenance, repair or replacement of canals subject to governmental regulations, and common areas (all hereinafter sometimes referred to as "improvements") for Riverhaven Village development, and for such other activities as may be appropriate for the Association, including administrative expenses and expenses incurred in connection with the enforcement of these covenants and restrictions. Each owner shall be liable for and shall promptly pay to the association a pro rata share of the cost of said improvements, including such sums as the Association may from time to time deem necessary to provide a reserve for operating expenses or as a fund for the prepayment of such anticipated expense relating to the improvements. All of such costs shall be apportioned equally among the lots in the subdivision, which have been subjected to these covenants, including those lots owned by the Subdivider. Payment shall be due and payable immediately upon notification by the Association mailed to the Owner at his address as shown on the Association records, and a lien is hereby granted to secure payment thereof, which said lien may be foreclosed the same as if it were a mortgage upon the property. In the event such assessment is not paid within ten (10) days after the notification, such lien may be foreclosed, in which event all costs of collection thereof, including all costs and attorney's fees, shall also be paid and the same are also secured by the lien. The judgment of the association in the letting of contracts and the raising or expenditure of funds therefore shall be final.

Section 2. Each such assessment, together with interest thereon and the cost of collection thereof as hereinbefore provided, shall also be the personal obligation of the person who was the owner at the time when the assessment became due.

Section 3. The Board of Directors of the Association shall fix the date and amount of any assessment hereunder at least thirty (30) days in advance of such date or period, and shall at that time prepare a roster of the owners of lots and the amounts and assessments applicable thereto, which shall be kept in the office of the Association. Written notice of any such assessment shall thereupon be sent to every Owner subject thereto. The Association shall, upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid, and any such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

ARTICLE V.
Use Restrictions

Section 1. Single family lots in the Subdivision may be used solely for single family residential purposes and for no other purposes. No business buildings may be erected on said lands and no business may be conducted on any part thereof, nor shall any building or any portion thereof be used or maintained as professional office. By way of illustration and not limitation, doctors are prohibited to have offices or dispense professional services (except on an emergency basis), and architects, authors, lawyers and the like are also likewise prohibited from maintaining offices for dispensing professional services.

Section 2. Areas designated from time to time as common areas shall be used, operated and maintained primarily for the use and enjoyment of lot owners. It is anticipated that the common areas will from time to time be the subject of further restrictions on a permanent or temporary basis by the Association to further the primary purposes thereof.

Section 3. No signs shall be erected or displayed on any single family lot or on any structure in the Subdivision by any person except the Subdivider or Association, or with the written permission of the Association.

ARTICLE VI.
Specific use Provisions

Section 1. Single Family:

(a) Properties designated herein or by supplement hereto as "single family" shall be used solely for construction and occupancy of single family residences. One single family lot shall be the minimum building area, but one or more contiguous lots may be combined as a single family building area.

(b) Garages, which shall be for the use only of the occupants of the residence to which they are appurtenant, may be attached or detached from the residence and may have entrances facing the street.

(c) The premises shall not be used or occupied by other than a single family and family servants, and shall not be used for other than residential use. The ground floor of the main dwelling shall not be less than 1,100 square feet for a one story dwelling, and 1,500 square feet for two stories, exclusive of garage, covered walks, patios, or pool areas. The height of any one building shall be not more than two full stories above street level. The main roof of the dwelling shall have a pitch of not less than 3 to 12 feet.

- (d) No dwelling shall be permitted on any lot in this single family area at a cost of less than \$15,000, based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenant to assume that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum permitted dwelling size.

ARTICLE VII.
Building Controls

Section 1. No building or structure of any kind (except as provided under Section 1 above), including additions, alterations, pools, fences, walls, patios, terraces or barbeque pits shall be erected, or altered until the plans and specifications, location and plot plan therefore, in detail and to scale, and showing existing trees and shrubs required to be moved or removed, shall have been submitted to and approved by the Subdivider or Association in writing and before any clearing or construction has begun. The plans, specifications and location of all construction thereunder, and every alteration of any building or structure shall be in accordance with the building, plumbing and electrical codes of the Citrus County Building Code. Each owner is responsible for complying with all of the covenants contained herein and shall notify any and all persons who may be using the Owner's premises of these restrictions and covenants. Refusal of approval of plans and specifications, location and plot plan, by the Subdivider or Association may be based on any ground, including purely esthetic grounds, in the sole and absolute discretion of the Subdivider or Association.

Section 2. The plans and specifications shall contain a plot plan with adequate provision for landscaping, including the planting of trees and shrubs. The determination of whether adequate provision has been made for landscaping shall be at the sole discretion of the Subdivider or Association. Landscaping as required shall be completed at the time of completion of the building as evidenced by the issuance of a certificate of occupancy by Citrus County. Gravel or blacktop or paved parking strips must be included in the plot plan of the plans and specifications.

Section 3. No building shall be erected on any single family lot closer than 25 feet to the front, 7.5 feet to the side, or 15 feet to the rear lot lines thereof. Where two or more single family lots are acquired and used as a single building site by a single owner, the side lot lines shall refer only to the lines bordering on single family lots owned by another owner.

Section 4. All residential construction shall provide a minimum floor elevation in conformity with sound engineering practice and such local, state or federal regulation requiring a minimum elevation as might exist at the time of construction.

Section 5. No commercial type vehicles shall be stored or parked on any lot contained in single family, garden area or cluster area properties, except while parked in a closed garage. No such commercial type vehicle shall be parked on any streets in the Subdivision except while engaged in transporting goods or furnishing services to or from a residence in the Subdivision during normal business hours.

Section 6. No lot or parcel shall be increased in size by filling in the water it abuts. The elevation of a lot may be changed only to provide for flood protection. No rock, sand, gravel or clay shall be excavated or removed from any property for commercial purposes.

Section 7. When the construction of any building is once begun, work thereon must be prosecuted diligently and must be completed within a reasonable time.

Section 8. No owner of any part of the property will do or permit to be done any act upon his property which may be or is or may become a nuisance.

Section 9. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lots, except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.

Section 10. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All sanitary equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. No containers shall be permitted to be visible from the street except on collection days.

Section 11. No septic tanks will be permitted on any lot within this Subdivision, and the collection system located in the Subdivision shall be used for the service of the premises.

Section 12. Clothes lines or drying yards shall be so located so as not to be visible from the street serving the premises or from the waterways.

Section 13. No trailers or habitable motor vehicles of any nature shall be kept on or stored on any part of the property except within an enclosed garage. A pleasure boat on its trailer may be parked or stored on that portion of the lot away from the street lying beyond the front building line.

Section 14. No boathouses shall be permitted. Boat docks, the highest projection of which shall not exceed the elevation of the land adjoining such docks, shall be permitted to be constructed adjoining any waterfront lot; provided, however, that no such docks shall be erected, constructed, maintained or permitted which will extend beyond four feet from the lot line paralleling and adjoining the waterfront. No discharge or refuse shall be permitted from docks into the waters. All dock construction, size, placement and use shall be subject to any applicable governmental requirements.

Section 15. No weeds, underbrush, or other unsightly growth shall be permitted to grow or remain upon any part of the property.

Section 16. All electrical service and telephone lines shall be placed underground, and no outside electrical line shall be placed overhead.

Section 17. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, placed or permitted upon any part of the property, nor shall oil, natural gas, petroleum, asphalt, or hydrocarbon products or minerals of any kind be produced or extracted therefrom by any means, including slant drilling.

Section 18. All homes and buildings constructed must be of new material. The actual construction must take place upon the lot. No building may have an exterior finish, specifically including roof and walls, of metal. No modular homes, mobile homes or trailers shall be placed or occupied upon any lot, nor shall any tents, campers or temporary shelters or habitable motor vehicles be permitted upon any lot at any time.

Section 19. No boat exceeding 30 feet in length or 8 feet in width shall be permitted to be docked or tied to or at any waterfront lot. No boat or other water conveyance shall be operated in any canal, at

any time at a speed in excess of 5 M.P.H., or in such a manner as to create hazardous conditions or excessive wake or noise.

Section 20. No seawall, rip-rap, or other similar construction shall be permitted on the waterfront boundary of any lot without the express written permission of the Association. Any application for permission shall be accompanied by written proof that the permitting requirements of such local or state agencies as have jurisdiction have been met.

ARTICLE VIII.

Maintenance of Premises

Section 1. In order to maintain the standards of this Subdivision, no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere on a residential lot. In the event that any Owner shall fail or refuse to keep the premises free of unsightly objects, then the Subdivider or Association may enter upon said lots and remove the same at the expense of Owner, and such entry shall not be deemed a trespass. The property, buildings, improvements and appurtenances shall be kept in good, safe, clean, neat and attractive condition, and all buildings and structures shall be maintained in a finished, painted and attractive condition. Upon failure to so maintain the property, buildings and structures to the satisfaction of the Association, and upon the Owner's failure to make such corrections within thirty (30) days of written notice by the Association, the Association may enter upon the premises and make such improvements or corrections as may be necessary, the cost of which shall be paid for by the owner. The Association may require the Owner to deposit with it the estimated cost thereof as determined by the Association. If any Owner fails to make payment within thirty (30) days after requested to do so by the Association, then the payment requested shall constitute a lien against the Owner's lot and be foreclosed under Article V hereof as though it were a lien thereunder (except the total amount thereof shall be assessed against such Owner's lot).

ARTICLE IX.

Nuisances

Section 1. Nothing shall be done on any lot or lots which may be or may become an annoyance or nuisance to the neighborhood. In the event of any question as to what may be or may become a nuisance, such question shall be decided by the Association and its decision shall be final.

ARTICLE X.

Remedies for Violations

Section 1. Violations or any breach of any restriction or covenant herein contained by any Owner shall give the Subdivider or Association in addition to all other remedies, the right to proceed at law or in equity to compel compliance with the terms of said restrictions or covenants, and to prevent the violation or breach of any of them. Any delay by the Subdivider or Association in enforcing any of the restrictions or covenants herein contained, no matter how long continued, shall not constitute a waiver of such restrictions or covenants, nor a waiver of its right to enforce them.

ARTICLE XI.

General Provisions

Section 1. Notice to the Association or requests for approval of plans, specifications and location of buildings shall be in writing and delivered or mailed to the Association at its principal place of business as shown by the records of the Secretary of the State of Florida.

Section 2. Notice to any Owner of a violation of any of these restrictions shall be in writing and shall be delivered or mailed to the Owner at the address shown on the tax rolls of Citrus County, Florida, or if not shown thereon, to the address of the Owner as shown on the deed as recorded in the Public Records of Citrus County, Florida.

Section 3. There is hereby reserved for the purpose of installing and maintaining common utility facilities and for such other purposes incidental to the development of the Subdivision those easements shown on the plat as "Utility Easements." Any claims or damages arising out of the construction, maintenance and repair of utilities or on account of temporary or other inconvenience caused thereby against the Subdivider, Association or any of their agents are hereby waived by the Owners.

Section 4. None of the lots in the Subdivision shall be divided nor sold except as a whole, without the written approval of the Association.

Section 5. The Subdivider reserves the right to modify or amend the plat to correct engineering or survey errors or omissions; re-align, relocate or add to utility easements if required to do so by companies furnishing utilities to the Subdivision, or redesign or relocate roads or thoroughfares. No such amendment will ever eliminate road access to any lot.

Section 6. The Subdivider or Association herein shall not in any way or manner be held liable or responsible for any violation of these restrictions by any person other than itself.

Section 7. Term. The agreements, covenants, conditions and restrictions contained herein shall constitute an easement and servitude in and upon the real property subjected to this instrument, and shall run with the land and shall inure to the benefit of and be binding upon and enforceable by the Association or by any property owner for a period of forty (40) years from the date these covenants are recorded, after which time same shall be automatically extended for successive periods of ten (10) years. Failure of the Association or any property owner to enforce any covenant, condition, obligation, reservation, right, power or charge contained herein, however long continued, shall in no event be deemed a waiver of the said right to enforce thereafter as to the same breach or violation or as to any other breach or violation occurring prior or subsequent thereto.

ARTICLE XII.

Central Sewage Disposal System

Section 1. A central sewage disposal system is being constructed by the Subdivider and said system shall be owned and operated by the Subdivider pursuant to a Certificate of Convenience and Necessity issued by the Florida Public Service Commission in accordance with its regulations and the rules of Florida. Owner shall be assessed and agrees to pay costs for extending the system to the Owner's lot or lots, hook-up charges and monthly rates pursuant to the rates and schedules approved and adopted by the Florida Public Service Commission.

Section 2. The Subdivider may assign or convey the ownership and/or operation of the central sewage disposal system to other governmental authorities, other private corporations, or the Association, but it is not obligated to do so.

A Corporation Not for Profit under the Laws of the State of Florida

ARTICLE I

General

Section 1. The name of the corporation shall be: RIVERHAVEN VILLAGE PROPERTY OWNERS ASSOCIATION, INC., which shall hereinafter be referred to as the "POA".

Section 2. The Board of Directors of the Corporation (Board) will establish an office to receive mail and other communications directed to the POA. In selection a location for this office the Board will give due consideration to the convenience to the members. The records of the Corporation will be maintained at location(s) determined by the Board. The location(s) selected will allow reasonable access to the records by POA members and by the Board.

Section 3. The fiscal year of the POA shall be from January through December, or such other fiscal year as may be determined by the Board.

Section 4. The corporate seal of the POA shall bear the words: "Riverhaven Village Property Owners Association, Inc. - 1976". An impression of the seal is as follows:

Section 5. Nothing in these By-Laws is intended to impose gender specific restrictions or preference and none should be implemented. The use of gender specific personal pronouns is not to be interpreted as restrictive. For example he also means she and she also means he.

Section 6. If these By-Laws are in conflict with either the Declarations of Restrictions for the lots covered by the POA or the Articles of Incorporation of the POA, the Declarations of Restrictions or the Articles of Incorporation will govern. If these By-Laws are in conflict with Florida Statute, the Florida Statute will govern.

ARTICLE II

Definitions

The terms and words used in these By-Laws will have the same definitions and meaning(s) as when they are used in the Declarations of Restrictions for Phase I (as recorded in Book 419, pages 468 - 485 and Book 437, pages 819 - 822), Phase II (as recorded in Book 532, pages 011 - 025), Phase III (as recorded in Book 554, pages 2075 - 2082), and Tract I (as recorded in Book 1208, pages 739 - 743) and P.

ARTICLE III

Purpose

Section 1. The POA has been organized to perform the following:

- Enforce the deed restrictions set forth in the Declarations of Restrictions for Phase I, Phase II and Phase III and for Tracts I and P.
- Manage, Operate, Maintain, improve and hold title to the common areas.
- Represent the property interests of the members when the Board determines it is appropriate to do so.
- Such other functions as may be necessary or desirable to meet the requirements of applicable Florida Statute, the Declarations of Restriction and/or the Articles of Incorporation.

ARTICLE IV

Membership

Section 1. All owners of record of lots (as reflected in the Public Records of Citrus County, Florida) automatically become members of the POA when they acquire ownership interest in a lot within the area covered by the POA (Phases I, II, III and Tracts I and P). Members must be in good standing to participate in the POA. Failure to maintain a membership in good standing does not relieve a member from the obligations and responsibilities of their membership. When more than one person or entity own interest in a lot, the owners must select a single person to represent the owners and vote or otherwise exercise the powers and privileges associated with membership in the POA. Transfer of ownership interest in a lot, either voluntary or by action of law, will automatically terminate the membership in the POA of the former owners of the interest.

Section 2. In the event of dissolution of the POA for any cause, members in good standing at the time of such dissolution are entitled to participate in the distributable assets to the extent of their membership interest in the POA.

ARTICLE V

Voting Rights

Section 1. Voting rights and active participation in annual and special meetings of the membership are limited to members in good standing and will be governed by the following criteria. Votes may be cast only by members in good standing. A 'Member in Good Standing' is the owner of record of a of a lot in Riverhaven Village covered by the POA and who has paid in full the dues and assessments on their lot on or before the date or dates established by the Board for these payments. Each lot is entitled to one vote. The vote may be cast in person by an owner of the lot or, in the case of multiple owners of the lot, by the representative of the owners or by proxy. All proxies must be in writing and signed by an owner of the lot or by the designated representative of the owner. The proxies must be filed with the Secretary and will be recorded by the Secretary in the minutes of the meeting. Votes are not cumulative, either for Directors or on other matters.

ARTICLE VI

Meetings of the Members

Section 1. Annual Meeting of Members: A meeting of the members of the POA will be held annually on the first or second Wednesday of February at the Riverhaven Village Community Club or at another place and/or time selected by the Board with due consideration to the convenience of the members. Directors will be elected by the members at the annual meeting, the budget for the current fiscal year will be presented, and such other matters as may be appropriate will be discussed and/or decided by vote.

Section 2. Special Meetings: Special meetings of the membership may be called by the Board President (or in the Presidents absence by the Vice President), or by a majority of the members of the Board of Directors, or by a majority of the members in good standing of the POA.

If a majority of the members in good standing request that the President call a special meeting of the membership, the President (or in the Presidents absence by the Vice President) will do so. The request must be in writing and include the signatures of the members requesting the meeting. The request must also clearly state the reason for the meeting and identify any issues to be discussed and/or resolved at the meeting.

Section 3. Notice to the members in good standing of any annual or special meeting of the membership will meet the following minimum requirements:

- Specify the time and place of the meeting.
- Identify subjects to be covered at the meeting.
- Notification to the members will be made by mail at the current address shown in the records of the POA. The Secretary of the POA will assure that the notification is mailed at least fifteen (15) days prior to the meeting.

Section 4. The President (or the Vice President in the Presidents absence) will preside at all annual and special meetings of the membership. When the board determines that it is appropriate, another individual may be designated to preside at a specific annual or special meeting of the membership.

Section 5. A quorum of members in good standing must be present at annual or special meetings in order for the meeting to begin. Members in good standing may be present in person or may be represented by proxy for the purpose of determining if a quorum is present. A quorum for the transaction of business at annual or special meetings shall consist of 33 1/3% (one third) of the members in good standing at the time specified by the Board for the meeting. This requirement is necessary to facilitate the administrative tasks necessary to determine the standing of each member.

If the required quorum is not present at an annual or special meeting of the membership, another meeting for the same purpose may be called, and the required quorum for this meeting will be 25% (one quarter) of the members in good standing at the time, prior to the meeting, specified by the Board to facilitate administrative tasks relative to determining members in good standing.

When a quorum is present at an annual or special meeting, the majority of the voting rights present in person or by proxy shall decide any question property brought before the meeting except where applicable statute or these By-Laws require a different vote. Where a different vote is required, such express provisions will govern and control the determination of such question.

Section 6. The secretary of the POA will furnish and certify a list of all members in good standing at the time specified by the Board for each annual and special meeting. The list will include the number of votes which the member may exercise at the meeting by virtue of ownership of more than one lot.

ARTICLE VII

Board of Directors

Section 1. The affairs, business and property of the POA will be managed by a Board of Directors with nine (9) members. Members of the Board of Directors must be members in good standing of the POA. If a Director loses his or her status as a member in good standing, he or she automatically lose their membership on the Board. A person cannot be elected to serve as a Director unless they are a Member in good standing of the POA.

The Directors will serve terms of three (3) years. The terms of the Directors will be staggered so that three (3) Directors are chosen for full three (3) year terms at each annual meeting. When a Director does not serve the full term for which they were elected, the Board will appoint a replacement to serve the balance of the term.

A Director may not serve more than two (2) terms. Appointment to a partial term is considered to be a full term for determining eligibility. Likewise, election to a full term and not completing the term is considered to be a full term.

Incumbent Directors who were elected prior to the Annual meeting of February 2000 will serve the full terms to which they were elected. The required staggering of Directors terms will be restored by electing Directors to short terms as necessary to obtain the condition of three Directors elected to three year terms at each annual meeting as quickly as practical. The Board will assure that this is accomplished as quickly as possible and in a fair and equitable manner.

Section 2. The annual meeting of the Board for the election of officers will be held within three (3) days following the Annual Meeting of the Members. The incumbent Board members will serve until their replacements are seated at this meeting.

Section 3. The Board will meet monthly. The monthly meetings of the Board will be on the third Wednesday of each month. The place of these meetings will be determined by the Board. The time and place of these meetings may be changed by the Board with due consideration to allowing all members to plan their schedule to facilitate attendance.

Section 4. Special meetings of the Board may be held at such time and place as the Board may designate. Such meetings may be called by the President, or in his or her absence, by the Vice President, or by any two members of the Board. Notice of special meetings of the Board shall be given by the Secretary to each director by mail not less than five (5) days prior to the meeting, or personally not less than twenty-four (24) hours prior to the meeting. By unanimous consent of the Board, special meetings may be held without notice at any time and place.

Section 5. A quorum for the transaction of business at any regular or special meeting of the Board shall consist of a majority of the members of the Board. A majority of the Directors present at any regular or special meeting shall have power to adjourn the meeting to a future time.

Section 6. The officers of the POA will be elected at the meeting of the Directors following the Annual Meeting of Members of the POA. The officers will serve for approximately one (1) year until their successors are elected and qualified. Officers must be members of the Board of Directors. An Officer may be removed at any time by a two thirds (2/3) vote of the full Board of Directors. An Officer may be removed at any time by a two thirds (2/3) vote of all members in good standing of the POA present at the Annual or at any Special Meeting of the Members called for the purpose of considering such removal.

If a Director is absent from four (4) consecutive duly called and noticed regular and/or special meetings of the Board for reasons other than ill health or absence from the country, the Board may in its discretion declare the office of such director vacated by reason of neglect, and appoint a successor as provided by these By-Laws. Specific notice of the intent to fill a vacancy on the Board at any Regular or Special Meeting of the Board is not necessary in the notice of the meeting.

Section 7. The Board may, by resolution, appoint members of the Board as an Executive Committee to manage the business of the POA during the interim between meetings of the Board. The Executive Committee shall keep records of its meeting.

Section 8. Directors or Officers may not be compensated for their services in such capacity. A Director may, however, receive reimbursement for out-of-pocket expenses as approved by the Board.

Section 9. At each Annual meeting of Members, the Board will report on the activities of the prior year, the financial condition of the POA and the condition of POA property.

Section 10. The Board shall have such additional powers and authority as provided in these By-Laws and as are conferred by the Articles of Incorporation of the POA, the laws of the State of Florida, and the Declaration of Restrictions now or hereafter governing the use, enjoyment and maintenance of the lots in the subdivision.

Section 11. The Board may propose special assessments. Approval of a majority of the membership voting on the assessment is necessary for the special assessment to be levied. The vote may be at a membership meeting or by mail ballot. All votes on special assessments are subject to the quorum requirements of a membership meeting.

Section 12. Each Director and Officer of the POA now or subsequently serving as such, shall be indemnified by the POA against any and all claims and liabilities to which he or she shall become subject by reason of serving or having served as such Director or Officer, or by reason of any action alleged to have been taken, omitted, or neglected by him or her in connection with any such claim or liability, provided, however that no such person shall be indemnified against, or be reimbursed for any expense incurred in connection with, any claim or liability arising out of his or her own willful misconduct or gross negligence.

The amount paid to any officer or director by way of indemnification shall not exceed his or her actual, reasonable, and necessary expenses incurred in connection with the matter involved.

The right to indemnification for above shall not be exclusive of any rights to which any director or officer of the POA may otherwise be entitled by law.

ARTICLE VIII

One Director will be selected to function as the liaison between the Board and the committee and provide needed support and coordination.

Re: Riverhaven Village Phase I Property Owner's Association

Dear Mr. Tankel:

The Florida Department of Economic Opportunity (DEO) has completed its review of the proposed revived declaration of covenants and other governing documents for the Riverhaven Village Property Owner's Association Phase I. and has determined that the documents comply with the requirements of chapter 720, Part III, Florida Statutes. Therefore, the proposed revitalization of the homeowners documents and covenants is approved.

Section 720.407(1), Florida Statutes, requires that no later than 30 days after receiving this letter, the organizing committee shall file the articles of incorporation for the Riverhaven Village Property Owner's Association Phase I. with the Division of Corporations of the Department of State if the articles have not been previously filed with the Division. Also, section 720.407(2), Florida Statutes, requires that the president and secretary of the Association execute the revived declaration and other governing documents in the name of the Association. The approved declaration of covenants, the articles of incorporation, this letter approval, and the legal description of each affected parcel must be recorded with the clerk of the circuit court in the county in which the affected parcels are located no later than 30 days after receiving approval from the Division of Corporations.

Section 720.407(4), Florida Statutes, requires that a complete copy of all of the approved, recorded documents be mailed or hand delivered to the owner of each affected parcel. The revitalized declaration and other governing documents will be effective upon recordation in the public records.

ARTICLE I
Definitions

Section 1. The following words, when used in this Declaration of Restrictions or any Supplemental Declaration of Restrictions (unless the context shall prohibit), shall have the following meanings:

- (a) "Subdivider" means Homosassa Springs, Inc., a Florida corporation, its successors or assigns of any or all of its rights under this Declaration of Restrictions.
- (b) "Association" means the Riverhaven Village Property Owner's Association, Inc., a Florida corporation not for profit, its successors or assigns of any or all of its rights under this Declaration of Restrictions.
- (c) "Owner" or "Owners" means the owner or owners of any lots in the subdivision, now or hereinafter subject to these covenants, their heirs, successors, legal representatives or assigns.
- (d) "Subdivision" means such portions of Riverhaven Village being a development of the property shown on the Plat, as may from time to time be subjected to these covenants.
- (e) "Lots" means one of the numbered lots in the Subdivision, which has been subjected to this Declaration by recorded instrument.
- (f) "Common Areas" means such areas within the Plat of Riverhaven Village as might be designated from time to time by the Subdivider, by recorded instrument, and made subject to these covenants.

ARTICLE II
Property Subject to this Declaration of Restrictions

Section 1. The property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration of Restrictions is located in Citrus County, Florida, and described as Replat of Portion of Riverhaven Village Plat Book 11, Pages 126-129, Block 40 through 52, Public Records of Citrus County, Florida, a total of 253 single family lots.

Section 2. The Subdivider may extend the coverage of this Declaration of Restrictions to additional properties in accordance with its general plan of development. Any additions authorized under this section shall be made by filing of record a Supplementary Declaration of Restrictions with respect to the additional property, which shall extend the scheme of the covenants and restrictions of this Declaration to such property.

ARTICLE III
Membership in the Association

Section 1. Subdivider has organized a non-profit Florida corporation known as Riverhaven Village Property Owners Association, Inc. which will have exclusive responsibility and authority in the management and maintenance of the lots and the Common Area it so designated and for the enforcement of the terms, conditions and covenants of this Declaration of Restrictions. Until the Subdivider has initially sold the last lot now or hereafter subject to these covenants, or until such earlier time as

Subdivider elects, it shall have the exclusive right and authority to appoint the directors of said Association.

Section 2. Each owner of a lot shall, by virtue of such ownership, be a member of the Association, by acceptance of a deed, contract for deed, or other instrument evidencing his ownership interest and upon compliance with other provisions herein pertaining to the acquisition and vesting of such ownership interest, accepts his membership in the Association, acknowledges the authority of it to manage, operate and maintain such facilities or such areas or amenities that may be assigned to it or accepted by it for such purpose, and agrees to abide by and be bound by the provisions of this Declaration of Restrictions, the Articles of Incorporation, By-Laws and other rules and regulations of the Association and by any and all rules and regulations heretofore and hereafter promulgated by it. It is understood and acknowledged that each owner is entitled to all of the rights, privileges and benefits of membership in the Association and that each owner shall have one vote for each lot which he owns.

Section 3. The Association may promulgate from time to time such reasonable rules and regulations governing the use and enjoyment of common areas as it deems necessary or desirable, including rules and regulations which may limit or temporarily prohibit the use of certain facilities and/or property.

ARTICLE IV. Covenant for Assessments

Section 1. In order to provide, operate or maintain facilities or services including those that may not be otherwise available to the lots, when necessary or desirable as determined by the Association in its sole discretion, the Association is authorized by all of the owners to act in their behalf and is empowered to contract for the maintenance, repair or replacement of canals subject to governmental regulations, and common areas (all hereinafter sometimes referred to as "improvements") for Riverhaven Village development, and for such other activities as may be appropriate for the Association, including administrative expenses and expenses incurred in connection with the enforcement of these covenants and restrictions. Each owner shall be liable for and shall promptly pay to the Association a pro rata share of the cost of said improvements, including such sums as the Association may from time to time deem necessary to provide a reserve for operating expense or as a fund for the prepayment of such anticipated expenses relating to the improvements. All of such costs shall be apportioned equally among the lots in the Subdivision, which have been subjected to these covenants, including those lots owned by the Subdivider. Except that inland lot owners shall not be charged for canal maintenance, repair or replacement costs. Payment shall be due and payable immediately upon notification by the Association mailed to the Owner at his address as shown on the Association records, and a lien is hereby granted to secure payment thereof, which said lien may be foreclosed the same as if it were a mortgage upon the property. In the event such assessment is not paid within ten (10) days after the notification, such lien may be foreclosed, in which event all costs of collection thereof, including all costs and attorney's fees, shall also be paid and the same are also secured by the lien. The judgment of the Association in the letting of contracts and the raising or expenditure of funds therefore shall be final.

Section 2. Each such assessment, together with interest thereon and the cost of collection thereof as hereinbefore provided, shall also be the personal obligation of the person who was the owner at the time when the assessment became due.

Section 3. The Board of Directors of the Association shall fix the date and amount of any assessment hereunder at least thirty (30) days in advance of such date or period, and shall at that time prepare a roster of the owners of lots and the amounts and assessments applicable thereto, which shall be kept in the office of the Association. Written notice of any such assessment shall thereupon be sent to

every Owner subject thereto. The Association shall upon demand at any time, furnish to any owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid, and any such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

ARTICLE V.
Use Restriction

Section 1. Single family lots in the subdivision may be used solely for single family residential purposes and for no other purposes. No business buildings may be erected on said lands and no business may be conducted on any part thereof, nor shall any building or any portion thereof be used or maintained as a professional office. By way of illustration and not limitation, doctors are prohibited to have offices or dispense professional services (except on an emergency basis), and architects, authors, lawyers and the like are also likewise prohibited from maintaining offices for dispensing professional services.

Section 2. Areas designated from time to time as common areas shall be used, operated and maintained primarily for the use and enjoyment of lot owners. It is anticipated that the common areas will from time to time be the subject of further restrictions on a permanent or temporary basis by the Association to further the primary purposes thereof.

Section 3. No signs shall be erected or displayed on any single family lot or on any structure in the subdivision by any person except the Subdivider or Association, or with the written permission of the Association.

ARTICLE VI.
Specific Use Provisions

Section 1. Single Family:

(a) Properties designated herein or by supplement hereto a "single family" shall be used solely for construction and occupancy of single family residences. One single family lot shall be the minimum building area, but one or more contiguous lots may be combined as a single family building area.

(b) Garages shall be attached to all residences except with the specific written consent of the Subdivider or Home Owners Association. Garages will be used only by the occupants of the residences of which they are appurtenant.

(c) The premises shall not be used or occupied by other than a single family and family servants, and shall not be used for other than residential use. The ground floor of the main dwelling shall not be less than 1,100 square feet for a one story dwelling, and 1,500 total square feet for two stories, exclusive of garage, covered walks, patios, or pool areas. The height of any one building shall be not more than two full stories above street level. The main roof of the dwelling shall have a pitch of not less than 3 to 12.

ARTICLE VII.
Building Controls

Section 1. No building or structure of any kind (except as provided under Section 1 above), including additions, alterations, pools, fences, walls, patios, terraces or barbeque pits shall be erected, or altered until the plans and specifications, location and plot plan therefor, in detail and to scale, and

showing existing trees and shrubs required to be moved or removed, shall have been submitted to and approved by the Subdivider or Association in writing and before any clearing or construction has begun. The plans, specifications and location of all construction thereunder, and every alteration of any building or structure shall be in accordance with the building, plumbing and electrical codes of the Citrus County Building Code. Each owner is responsible for complying with all of the covenants contained herein and shall notify any and all persons who may be using the Owner's premises of these restrictions and covenants. Refusal of approval of plans and specifications, location and plot plan, by the Subdivider or Association may be based on any ground, including purely esthetic grounds, in the sole and absolute discretion of the Subdivider or Association.

Section 2. The plans and specifications shall contain a plot plan with adequate provision for landscaping, including the planting of trees and shrubs. The determination of whether adequate provision has been made for landscaping shall be at the sole discretion of the Subdivider or Association. Landscaping as required shall be completed at the time of completion of the building as evidenced by the issuance of a certificate of occupancy by Citrus County. Gravel or blacktop or paved parking strips must be included in the plot plan of the plans and specifications.

Section 3. No building shall be erected on any single family lot closer than 25 feet to the front, 7.5 feet to the side, or 15 feet to the rear lot lines thereof. Where two or more single family lots are acquired and used as a single building site by a single owner, the side lot lines shall refer only to the lines bordering on single family lots owned by another owner.

Section 4. All residential construction shall provide a minimum floor elevation in conformity with sound engineering practice and such local, state or federal regulation requiring a minimum elevation as might exist at the time of construction.

Section 5. No trucks in excess of one ton and no commercial type vehicles in excess of one ton and no tractor trailers shall be stored or parked on any lot contained in single family, garden area or cluster area properties, except while parked in a closed garage. No such truck or commercial type vehicle shall be parked on any street in the subdivision except while engaged in transporting goods or furnishing services to or from a residence in the subdivision during normal business hours.

Section 6. No lot or parcel shall be increased in size by filling in the water it abuts. The elevation of a lot may be changed only to provide for flood protection. No rock, sand, gravel or clay shall be excavated or removed from any property for commercial purposes.

Section 7. When the construction of any building is once begun, work thereon must be prosecuted diligently and must be completed within a reasonable time.

Section 8. No owner of any part of the property will do or permit to be done any act upon his property which may be or is or may become a nuisance.

Section 9. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.

Section 10. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All sanitary equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. No containers shall be permitted to be visible from the street except on collection days.

Section 11. No septic tanks will be permitted on any lot within this subdivision, and the collection system located in the Subdivision shall be used for the service of the premises, except Lots 1, 2, 5, 6 and 9, block 49.

Section 12. Clothes lines or drying yards shall be so located so as not to be visible from the street serving the premises or from the waterways.

Section 13. No trailers, including boats and boat trailers or habitable motor vehicles of any nature shall be kept on or stored on any part of the property except within an enclosed garage or an approved enclosure which totally screens the unit from view of adjacent neighbors or the public streets.

Section 14. No boat houses shall be permitted. Boat docks the highest projection of which shall not exceed the elevation of the land adjoining such docks shall be permitted to be constructed adjoining any waterfront lot. Variation of boat dock elevation may be permitted with the specific written consent of the Subdivider or the Home Owners Association, except that no such dock shall be erected, constructed, maintained or permitted which will extend beyond four feet (4') from the lot line paralleling and adjoining the waterfront of those lots which abut the canals within Riverhaven Village. No discharge or refuse shall be permitted from docks into the waters. All dock erection, construction, maintenance, permission, final size, placement and use shall be subject to the approval of the Architectural Review Board and any applicable governmental requirements and/or agencies.

Section 15. No weeds, underbrush, or other unsightly growth shall be permitted to grow or remain upon any part of the property.

Section 16. All electrical service and telephone lines shall be placed underground, and no outside electrical lines shall be placed overhead except on public right-of-way.

Section 17. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, placed or permitted upon any part of the property, nor shall oil, natural gas, petroleum, asphalt, or hydrocarbon products or minerals of any kind be produced or extracted, therefrom by any means, including slant drilling.

Section 18. All homes and buildings constructed must be of new material or approved by the Architectural Review Board. The actual construction must take place upon the lot. No building may have an exterior finish, specifically including roof and walls, of metal except as allowed below. No mobile homes or trailers shall be placed or occupied upon any lot, nor shall any tents, campers or temporary shelters or habitable motor vehicles be permitted upon any lot at any time.

(a) Metal Roofs may be used if approved by the Architectural Review Board after meeting the following requirements:

1. The member requesting approval of a metal roof (or roofs) for new construction or replacement of an existing roof (or roofs) shall provide a manufacturers certification that the proposed metal roofing material meets or exceeds the applicable state and county building codes, including the applicable wind codes, then in effect.
2. The proposed metal roofing material shall be warranted for a minimum of thirty (30) years.
3. The color, texture, style and general appearance of the proposed metal roofing material shall be compatible with the colors, standards and styles of the roofs installed in the community. The appearance of the proposed metal roofing material shall resemble, when installed, shingle, tile, or shake

roofs. Proposed metal roofing materials whose appearance, when installed, resembles vertical or horizontal flat panels (for example "barn roofs") are specifically prohibited.

4. The Architectural Review Board is empowered to interpret these requirements to maintain or improve the appearance of Riverhaven Village. The Architectural Review Board may require certified test results from governmental or other independent agencies that confirm that the proposed metal roofing material meets or exceeds the applicable state and county building codes, including the applicable wind codes, then in effect.

Section 19. No boat exceeding approximately thirty foot (30') in length or approximately ten feet (10') in width shall be permitted to be docked or tied to or at any waterfront lots which abut the canals within Riverhaven Village. No boat shall be anchored off shore either in the canals or in the Homosassa River or Prices' Creek and when not in use, all boats shall be moved as close to the bank as safety allows to the end that navigation of the river and canals will not be impeded. No boat or other water conveyance shall be operated in any canal, at any time a speed in excess of 5 m.p.h., or in such a manner as to create hazardous conditions or excessive wake or noise.

Section 20. No seawall, rip-rap, or other similar construction shall be permitted on the waterfront boundary of any lot without the express written permission of the Association. Any application for permission shall be accompanied by written proof that the permitting requirements of such local or state agencies as have jurisdiction have been met.

ARTICLE VIII. Maintenance of Premises

Section 1. In order to maintain the standards of this Subdivision, no refuse pile or unsightly object shall be allowed to be placed or suffered to remain anywhere on a residential lot. In the event that any Owner shall fail or refuse to keep the premises free of unsightly objects, then the Subdivider or Association may enter upon said lots and remove the same at the expense of Owner, and such entry shall not be deemed as trespass. The property, buildings, improvements and appurtenances shall be kept in good, safe, clean, neat and attractive condition, and all buildings and structures shall be maintained in a finished, painted and attractive condition. Upon failure to so maintain the property, buildings and structures to the satisfaction of the Association, and upon the Owner's failure to make such corrections within thirty (30) days of written notice by the Association, the Association may enter upon the premises and make such improvements or corrections as be necessary, the cost of which shall be paid for by the Owner. The Association may require the Owner to deposit with it the estimated cost thereof as determined by the Association. If any Owner fails to make payment within thirty (30) days after requested to do so by the Association, then the payment requested shall constitute a lien against the Owner's lot and be foreclosed under Article V hereof as though it were a lien thereunder (except the total amount thereof shall be assessed against such Owner's lot).

ARTICLE IX. Nuisances

Section 1. Nothing shall be done on any lot or lots which may be or may become an annoyance or nuisance to the neighborhood. In the event of any question as to what may become a nuisance, such question shall be decided by the Association and its decision shall be final.

ARTICLE X.
Remedies for Violations

Section 1. Violations or any breach of any restriction or covenant herein contained by any Owner shall give the Subdivider or Association in addition to all other remedies, the right to proceed at law or in equity to compel compliance with the terms of said restrictions or covenants, and to prevent the violation or breach of any of them. Any delay by the Subdivider or Association in enforcing any of the restrictions or covenants herein contained, no matter how long continued, shall not constitute a waiver of such restrictions or covenants, nor a waiver of its right to enforce them.

ARTICLE XI.
General Provisions

Section 1. Notice to the Association or requests for approval of plans, specifications and location of buildings shall be in writing and delivered or mailed to the Association at its principal place of business as shown by the records of the Secretary of State of the State of Florida.

Section 2. Notice to any Owner of a violation of any of these restrictions shall be in writing and shall be delivered or mailed to the Owner at the address shown on the tax rolls of Citrus County, Florida, or if not shown thereon, to the address of the owner as shown on the deed as recorded in the Public Records of Citrus County, Florida.

Section 3. There is hereby reserved for the purpose of installing and maintaining common utility facilities and for such other purposes incidental to the development of the Subdivision those easements either of record and/or shown on the plat as "Utility Easements." Any claims or damages arising out of the construction, maintenance and repair of utilities or on account of temporary or other inconveniences caused thereby against the Subdivider, Association or any of their agents are hereby waived by the Owners.

Section 4. None of the lots in the Subdivision shall be divided nor sold except as a whole, without the written approval of the Association.

Section 5. The Subdivider reserves the right to modify or amend the plat to correct engineering or survey errors or omissions, re-align, relocate or add to utility easements if required to do so by companies furnishing utilities to the Subdivision, or redesign or relocate roads or thoroughfares. No such amendment will ever eliminate road access to any lot.

Section 6. The Subdivider or Association herein shall not in any way or manner be held liable or responsible for any violation of these restrictions by any person other than itself.

Section 7. Term. The agreements, covenants, conditions and restrictions contained herein shall constitute an easement and servitude in and upon the real property subjected to this instrument, and shall run with the land and shall inure to the benefit of and be binding upon and enforceable by the Association or by any property owner for a period of forty (40) years from the date these covenants are recorded, after which time the same shall be automatically extended for successive periods of ten (10) years. Failure of the Association of any property owner to enforce any covenant, condition, obligation, reservation, right, power or charge contained herein, however long continued, shall in no event be deemed a waiver of the said right to enforce thereafter as to the same breach or violation or as to any other breach or violation occurring prior or subsequent thereto.

Amendment. A resolution for the adoption of a proposed amendment to these Restrictions may be proposed either by the Board of Directors or by not less than one-third (1/3) of the voting interests of the Association. After such proposal, membership approval of a proposed amendment must be by not less than two-thirds (2/3) of the voting interests of the Association. An amendment adopted by two-thirds (2/3) vote of the voting interests of the Association will be effective when an instrument reflecting the amendment is recorded within the public records of Citrus County, Florida.

ARTICLE XII.
Central Sewage Disposal System

Section 1. A central sewage disposal system is being constructed by the Subdivider and said system shall be owned and operated by the Subdivider pursuant to a Certificate of Convenience and Necessity issued by the Florida Public Service Commission in accordance with its regulations and the rules of Florida. Owner shall be assessed and agrees to pay costs for extending the system to the Owner's lot or lots, hook-up charges and monthly rates pursuant to the rates and schedules approved and adopted by the Florida Public Service Commission.

Section 2. The Subdivider may assign or convey the ownership and/or operation of the central sewage disposal system to other governmental authorities, other private corporation, or the Association but it is not obligated to do so.

A Corporation Not for Profit under the Laws of the State of Florida

ARTICLE I

General

Section 1. The name of the corporation shall be: RIVERHAVEN VILLAGE PROPERTY OWNERS ASSOCIATION, INC., which shall hereinafter be referred to as the "POA".

Section 2. The Board of Directors of the Corporation (Board) will establish an office to receive mail and other communications directed to the POA. In selection a location for this office the Board will give due consideration to the convenience to the members. The records of the Corporation will be maintained at location(s) determined by the Board. The location(s) selected will allow reasonable access to the records by POA members and by the Board.

Section 3. The fiscal year of the POA shall be from January through December, or such other fiscal year as may be determined by the Board.

Section 4. The corporate seal of the POA shall bear the words: "Riverhaven Village Property Owners Association, Inc. - 1976". An impression of the seal is as follows:

Section 5. Nothing in these By-Laws is intended to impose gender specific restrictions or preference and none should be implemented. The use of gender specific personal pronouns is not to be interpreted as restrictive. For example he also means she and she also means he.

Section 6. If these By-Laws are in conflict with either the Declarations of Restrictions for the lots covered by the POA or the Articles of Incorporation of the POA, the Declarations of Restrictions or the Articles of Incorporation will govern. If these By-Laws are in conflict with Florida Statute, the Florida Statute will govern.

ARTICLE II

Definitions

The terms and words used in these By-Laws will have the same definitions and meaning(s) as when they are used in the Declarations of Restrictions for Phase I (as recorded in Book 419, pages 468 - 485 and Book 437, pages 819 - 822), Phase II (as recorded in Book 532, pages 011 - 025), Phase III (as recorded in Book 554, pages 2075 - 2082), and Tract I (as recorded in Book 1208, pages 739 - 743) and P.

ARTICLE III

Purpose

Section 1. The POA has been organized to perform the following:

- **Enforce the deed restrictions set forth in the Declarations of Restrictions for Phase I, Phase II and Phase III and for Tracts I and P.**
- **Manage, Operate, Maintain, improve and hold title to the common areas.**
- **Represent the property interests of the members when the Board determines it is appropriate to do so.**
- **Such other functions as may be necessary or desirable to meet the requirements of applicable Florida Statute, the Declarations of Restriction and/or the Articles of Incorporation.**

ARTICLE IV

Membership

Section 1. All owners of record of lots (as reflected in the Public Records of Citrus County, Florida) automatically become members of the POA when they acquire ownership interest in a lot within the area covered by the POA (Phases I, II, III and Tracts 1 and P). Members must be in good standing to participate in the POA. Failure to maintain a membership in good standing does not relieve a member from the obligations and responsibilities of their membership. When more than one person or entity own interest in a lot, the owners must select a single person to represent the owners and vote or otherwise exercise the powers and privileges associated with membership in the POA. Transfer of ownership interest in a lot, either voluntary or by action of law, will automatically terminate the membership in the POA of the former owners of the interest.

Section 2. In the event of dissolution of the POA for any cause, members in good standing at the time of such dissolution are entitled to participate in the distributable assets to the extent of their membership interest in the POA.

ARTICLE V

Voting Rights

Section 1. Voting rights and active participation in annual and special meetings of the membership are limited to members in good standing and will be governed by the following criteria. Votes may be cast only by members in good standing. A 'Member in Good Standing' is the owner of record of a of a lot in Riverhaven Village covered by the POA and who has paid in full the dues and assessments on their lot on or before the date or dates established by the Board for these payments. Each lot is entitled to one vote. The vote may be cast in person by an owner of the lot or, in the case of multiple owners of the lot, by the representative of the owners or by proxy. All proxies must be in writing and signed by an owner of the lot or by the designated representative of the owner. The proxies must be filed with the Secretary and will be recorded by the Secretary in the minutes of the meeting. Votes are not cumulative, either for Directors or on other matters.

ARTICLE VI

Meetings of the Members

Section 1. Annual Meeting of Members: A meeting of the members of the POA will be held annually on the first or second Wednesday of February at the Riverhaven Village Community Club or at another place and/or time selected by the Board with due consideration to the convenience of the members. Directors will be elected by the members at the annual meeting, the budget for the current fiscal year will be presented, and such other matters as may be appropriate will be discussed and/or decided by vote.

Section 2. Special Meetings: Special meetings of the membership may be called by the Board President (or in the Presidents absence by the Vice President), or by a majority of the members of the Board of Directors, or by a majority of the members in good standing of the POA.

If a majority of the members in good standing request that the President call a special meeting of the membership, the President (or in the Presidents absence by the Vice President) will do so. The request must be in writing and include the signatures of the members requesting the meeting. The request must also clearly state the reason for the meeting and identify any issues to be discussed and/or resolved at the meeting.

Section 3. Notice to the members in good standing of any annual or special meeting of the membership will meet the following minimum requirements:

- Specify the time and place of the meeting.
- Identify subjects to be covered at the meeting.
- Notification to the members will be made by mail at the current address shown in the records of the POA. The Secretary of the POA will assure that the notification is mailed at least fifteen (15) days prior to the meeting.

Section 4. The President (or the Vice President in the Presidents absence) will preside at all annual and special meetings of the membership. When the board determines that it is appropriate, another individual may be designated to preside at a specific annual or special meeting of the membership.

Section 5. A quorum of members in good standing must be present at annual or special meetings in order for the meeting to begin. Members in good standing may be present in person or may be represented by proxy for the purpose of determining if a quorum is present. A quorum for the transaction of business at annual or special meetings shall consist of 33 1/3% (one third) of the members in good standing at the time specified by the Board for the meeting. This requirement is necessary to facilitate the administrative tasks necessary to determine the standing of each member.

If the required quorum is not present at an annual or special meeting of the membership, another meeting for the same purpose may be called, and the required quorum for this meeting will be 25% (one quarter) of the members in good standing at the time, prior to the meeting, specified by the Board to facilitate administrative tasks relative to determining members in good standing.

When a quorum is present at an annual or special meeting, the majority of the voting rights present in person or by proxy shall decide any question properly brought before the meeting except where applicable statute or these By-Laws require a different vote. Where a different vote is required, such express provisions will govern and control the determination of such question.

Section 6. The secretary of the POA will furnish and certify a list of all members in good standing at the time specified by the Board for each annual and special meeting. The list will include the number of votes which the member may exercise at the meeting by virtue of ownership of more than one lot.

ARTICLE VII

Board of Directors

Section 1. The affairs, business and property of the POA will be managed by a Board of Directors with nine (9) members. Members of the Board of Directors must be members in good standing of the POA. If a Director loses his or her status as a member in good standing, he or she automatically lose their membership on the Board. A person cannot be elected to serve as a Director unless they are a Member in good standing of the POA.

The Directors will serve terms of three (3) years. The terms of the Directors will be staggered so that three (3) Directors are chosen for full three (3) year terms at each annual meeting. When a Director does not serve the full term for which they were elected, the Board will appoint a replacement to serve the balance of the term.

A Director may not serve more than two (2) terms. Appointment to a partial term is considered to be a full term for determining eligibility. Likewise, election to a full term and not completing the term is considered to be a full term.

Incumbent Directors who were elected prior to the Annual meeting of February 2000 will serve the full terms to which they were elected. The required staggering of Directors terms will be restored by electing Directors to short terms as necessary to obtain the condition of three Directors elected to three year terms at each annual meeting as quickly as practical. The Board will assure that this is accomplished as quickly as possible and in a fair and equitable manner.

Section 2. The annual meeting of the Board for the election of officers will be held within three (3) days following the Annual Meeting of the Members. The incumbent Board members will serve until their replacements are seated at this meeting.

Section 3. The Board will meet monthly. The monthly meetings of the Board will be on the third Wednesday of each month. The place of these meetings will be determined by the Board. The time and place of these meetings may be changed by the Board with due consideration to allowing all members to plan their schedule to facilitate attendance.

Section 4. Special meetings of the Board may be held at such time and place as the Board may designate. Such meetings may be called by the President, or in his or her absence, by the Vice President, or by any two members of the Board. Notice of special meetings of the Board shall be given by the Secretary to each director by mail not less than five (5) days prior to the meeting, or personally not less than twenty-four (24) hours prior to the meeting. By unanimous consent of the Board, special meetings may be held without notice at any time and place.

Section 5. A quorum for the transaction of business at any regular or special meeting of the Board shall consist of a majority of the members of the Board. A majority of the Directors present at any regular or special meeting shall have power to adjourn the meeting to a future time.

Section 6. The officers of the POA will be elected at the meeting of the Directors following the Annual Meeting of Members of the POA. The officers will serve for approximately one (1) year until their successors are elected and qualified. Officers must be members of the Board of Directors. An Officer may be removed at any time by a two thirds (2/3) vote of the full Board of Directors. An Officer may be removed at any time by a two thirds (2/3) vote of all members in good standing of the POA present at the Annual or at any Special Meeting of the Members called for the purpose of considering such removal.

If a Director is absent from four (4) consecutive duly called and noticed regular and/or special meetings of the Board for reasons other than ill health or absence from the country, the Board may in its discretion declare the office of such director vacated by reason of neglect, and appoint a successor as provided by these By-Laws. Specific notice of the intent to fill a vacancy on the Board at any Regular or Special Meeting of the Board is not necessary in the notice of the meeting.

Section 7. The Board may, by resolution, appoint members of the Board as an Executive Committee to manage the business of the POA during the interim between meetings of the Board. The Executive Committee shall keep records of its meeting.

Section 8. Directors or Officers may not be compensated for their services in such capacity. A Director may, however, receive reimbursement for out-of-pocket expenses as approved by the Board.

Section 9. At each Annual meeting of Members, the Board will report on the activities of the prior year, the financial condition of the POA and the condition of POA property.

Section 10. The Board shall have such additional powers and authority as provided in these By-Laws and as are conferred by the Articles of Incorporation of the POA, the laws of the State of Florida, and the Declaration of Restrictions now or hereafter governing the use, enjoyment and maintenance of the lots in the subdivision.

Section 11. The Board may propose special assessments. Approval of a majority of the membership voting on the assessment is necessary for the special assessment to be levied. The vote may be at a membership meeting or by mail ballot. All votes on special assessments are subject to the quorum requirements of a membership meeting.

Section 12. Each Director and Officer of the POA now or subsequently serving as such, shall be indemnified by the POA against any and all claims and liabilities to which he or she shall become subject by reason of serving or having served as such Director or Officer, or by reason of any action alleged to have been taken, omitted, or neglected by him or her in connection with any such claim or liability, provided, however that no such person shall be indemnified against, or be reimbursed for any expense incurred in connection with, any claim or liability arising out of his or her own willful misconduct or gross negligence.

The amount paid to any officer or director by way of indemnification shall not exceed his or her actual, reasonable, and necessary expenses incurred in connection with the matter involved.

The right to indemnification for above shall not be exclusive of any rights to which any director or officer of the POA may otherwise be entitled by law.

ARTICLE VIII

ARTICLE II.
Property Subject to this Declaration of Restrictions

Section 1. The property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration of Restrictions is located in Citrus County, Florida, and described as Exhibit "A" hereof.

Section 2. The Subdivider may extend the coverage of this Declaration of Restrictions to additional properties in accordance with its general plan of development. Any additions authorized under this section shall be made by filing of record a Supplementary Declaration of Restrictions with respect to the additional property, which shall extend the scheme of the covenants and restrictions of this Declaration to such property.

ARTICLE III.
Membership in the Association

Section 1. Subdivider has organized a non-profit Florida corporation known as Riverhaven Village Property Owners Association, Inc. which will have exclusive responsibility and authority in the management and maintenance of the lots and the common area it so designated and for the enforcement of the terms, conditions and covenants, of this Declaration of Restrictions. Until the Subdivider has initially sold the last lot now or

hereafter subject to these covenants, or until such earlier time as Subdivider elects, it shall have the exclusive right and authority to appoint the directors of said Association.

Section 2. Each owner of a lot shall, by virtue of such ownership, be a member of the Association, by acceptance of a deed, contract for deed, or other instrument evidencing his ownership interest and upon compliance with other provisions herein pertaining to the acquisition and vesting of such ownership interest, accepts his membership in the Association, acknowledges the authority of it to manage, operate and maintain such facilities or such areas or amenities that may be assigned to it or accepted by it for such purpose, and agrees to abide by and be bound by the provisions of this Declaration of Restrictions, the Articles of Incorporation, By-Laws and other rules and regulations of the Association and by any and all rules and regulations heretofore and hereafter promulgated by it. Each owner shall be liable for and shall promptly pay to the Association a pro rata share of the cost of said improvements, including such sums as the Association may from time to time deem necessary to provide a reserve for operating expenses or as a fund for the prepayment of such anticipated expenses relating to the improvements. All of such costs shall be apportioned equally among the lots in the Subdivision, which have been subjected to these covenants, including those lots owned by the Subdivider. Payment shall be due and payable immediately upon notification by the Association mailed to the Owner at his address as shown on the Association records, and a lien is hereby granted to secure payment thereof, which said lien may be foreclosed the same as if it were a mortgage upon the property. In the event such assessment is not paid within ten (10) days after the notification, such lien may be foreclosed, in which event all costs of collection thereof, including all costs and attorney's fees, shall also be paid and the same are also secured by the lien. The judgment of the Association in the letting of contracts and the raising or expenditure of funds therefor shall be final.

Section 2. Each such assessment, together with interest thereon and the cost of collection thereof as hereinbefore provided, shall also be the personal obligation of the person who was the owner at the time when the assessment became due.

Section 3. The Board of Directors of the Association shall fix the date and amount of any assessment hereunder at least thirty (30) days in advance of such date or period, and shall at that time prepare a roster of the owners of lots and the amounts and assessments applicable thereto, which shall be kept in the office of the

Association. Written notice of any such assessment shall thereupon be sent to every Owner subject thereto. The Association shall upon demand at any time, furnish to any owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid, and any such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 1. Single family lots in the Subdivision may be used solely for single family residential purposes and for no other purposes. No business buildings may be erected on said lands and no business may be conducted on any part thereof, nor shall any building or any portion thereof be used or maintained as a professional office. By way of illustration and not limitation, doctors are prohibited to have offices or dispense professional services (except on an emergency basis), and architects, authors, lawyers and the like are also likewise prohibited from maintaining offices or dispensing professional services.

Section 2. Areas designated from time to time as common areas shall be used, operated and maintained primarily for the use and enjoyment of lot owners. It is anticipated that common areas will from time to time be the subject of further restrictions on a permanent or temporary basis by the Association to further the primary purposes thereof.

Section 3. No signs shall be erected or displayed on any single family lot or on any structure in the Subdivision by any person except the Subdivider or Association, or with the written permission of the Association.

ARTICLE VI.
Specific Use Provisions

Section 1. Single Family:

- (a) Properties designated herein or by supplement hereto a "single family" shall be used solely for construction and occupancy of single family residences. One single family lot shall be the minimum building area, but one or more contiguous lots may be combined as a single family building area.
- (b) Garages, which shall be for the use only of the occupants of the residence to which they are appurtenant, must be attached to the residence and may have entrances facing the street.
- (c) The premises shall not be used or occupied by other than a single family and family servants, and shall not be used for other than residential use. The ground floor of the main dwelling shall not be less than 1,400 square feet for a one story dwelling, and 2,000 feet for two stories, exclusive of garage, covered walks, patios, or pool areas. The height of any one building shall not be more than two full stories above street level. The main roof of the dwelling shall have a pitch of not less than 3 to 12.
- (d) No dwelling shall be permitted on any lot in this single family area at a cost of less than \$30,000.00, based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenant to assume that all dwellings shall be of a quality of workmanship and material substantially the same or better than that which can be

produced on the date these covenants are recorded at the minimum cost stated herein for the minimum permitted dwelling size. Such cost shall be subject to escalation, at a rate not to exceed the Consumer Price Index.

ARTICLE VII.
Building Controls

Section 1. No building or structure of any kind (except as provided under Section 1 above), including additions, alterations, pools, fences, walls, patios, terraces or barbecue pits shall be erected, or altered until the plans and specifications, location and plot plan therefore, in detail and to scale, and showing existing trees and shrubs required to be moved or removed, shall have been submitted to and approved by the Subdivider or Association in writing and before any clearing or construction has begun. The plans, specifications and location of all construction thereunder, and every alteration of any building or structure shall be in accordance with the building, plumbing, and electrical codes of Citrus County Building Code. Each owner is responsible for complying with all of the covenants contained herein and shall notify any and all persons who may be using the Owner's premises of these restrictions and covenants. Refusal of approval of plans and specifications, location and plot plan, by the Subdivider or Association may be based on any ground, including purely esthetic grounds, in the sole and absolute discretion of the Subdivider or Association.

Section 2. The plans and specifications shall contain a plot plan with adequate provision for landscaping, including the planting of trees and shrubs. The determination of whether adequate provision has been made for landscaping shall be at the sole discretion of the Subdivider or Association. Landscaping as required shall be completed at the time of completion of the building as evidenced by the issuance of a certificate of occupancy by Citrus County. Gravel or blacktop or paved parking strips must be included in the plot plan of the plans and specifications.

Section 3. No building shall be erected on any single family lot closer than 25 feet to the front, 7.5 feet to the side or 15 feet to the rear lot lines thereof. Where two or more single family lots are acquired and used as a single building site by a single owner, the side lot lines shall refer only to the lines bordering on single family lots owned by another owner.

Section 4. All residential construction shall provide a minimum floor elevation in conformity with sound engineering practice and such local, state or federal regulation requiring a minimum elevation as might exist at the time of construction.

Section 5. No commercial type vehicles shall be stored or parked on any lots contained in single family, garden area or cluster area properties, except while parked in a closed garage. No such commercial type vehicle shall be parked on any street in the Subdivision except while engaged in transporting goods or furnishing services to or from a residence in the Subdivision during normal business hours.

Section 6. No lot or parcel shall be increased in size by filling in the water it abuts. The elevation of the lot may be changed only to provide for flood protection. No rocks, sand, gravel or clay shall be excavated or removed from any property for commercial purposes.

Section 7. When the construction of any building is once begun, work thereon must be prosecuted diligently and must be completed within a reasonable time.

Section 8. No owner of any part of the property will do or permit to be done any act upon his property which may be or is or may become a nuisance.

Section 9. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats, or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.

Section 10. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All sanitary equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. No containers shall be permitted to be visible from the street except on collection days.

Section 11. No septic tanks will be permitted on any lot within this subdivision, and the collection system located in the Subdivision shall be used for the service of the premises.

Section 12. Clothes lines or drying yards shall be so located so as not to be visible from the street serving the premises or from the waterways.

Section 13. No trailers, including boat trailers, or habitable motor vehicles of any nature shall be kept on or stored on any part of the property except within an enclosed garage.

Section 14. No boat houses shall be permitted. Boat docks, the highest projection of which shall not exceed the elevation of the land adjoining such docks, shall be permitted to be constructed adjoining any waterfront lot; provided, however, that no such docks shall be erected, constructed, maintained or permitted which will extend beyond:

1. Four feet (4') from the lot line paralleling and adjoining the waterfront of those lots which abut both Prices' Creek and the canals within Riverhaven Village, or
2. Twenty feet (20') from the waterfront of those lots which abut the Homosassa River.

No discharge or refuse shall be permitted from docks into the waters. All dock erection, construction, maintenance, permission, final size, placement and use shall be subject to the approval of the Architectural Review Board and any applicable governmental requirements and/or agencies.

Section 15. No weeds, underbrush, or other unsightly growth shall be permitted to grow or remain upon any part of the property.

Section 16. All electrical service and telephone lines shall be placed underground, and no outside electrical lines shall be placed overhead.

Section 17. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, placed or permitted upon any part of the property, nor shall oil, natural gas, petroleum, asphalt, or hydrocarbon products or minerals of any kind be produced or extracted therefrom by any means, including slant drilling.

Section 18. All homes and buildings constructed must be of new material. The actual construction must take place upon the lot. No building may have an exterior finish, specifically including roof and walls, of metal except as allowed below. No modular homes, mobile homes or trailers shall be placed or occupied upon any lot, nor shall any tents, campers or temporary shelters or habitable motor vehicles be permitted upon any lot at any time.

(a) Metal Roofs may be used if approved by the Architectural Review Board after meeting the following requirements:

1. The member requesting approval of a metal roof (or roofs) for new construction or replacement of an existing roof (or roofs) shall provide a manufacturers certification that the proposed metal roofing material meets or exceeds the applicable state and county building codes, including the applicable wind codes then in effect.

2. The proposed metal roofing material shall be warranted for a minimum of thirty (30) years.

3. The color, texture, style and general appearance of the proposed metal roofing material shall be compatible with the colors, standards and styles of the roofs installed in the community. The appearance of the proposed metal roofing material shall resemble, when installed, shingle, tile or shake roofs. Proposed metal roofing materials whose appearance, when installed, resembles vertical or horizontal flat panels (for example "barn roofs") are specifically prohibited.

4. The Architectural Review Board is empowered to interpret these requirements to maintain or improve the appearance of Riverhaven Village. The Architectural Review Board may require certified test results from governmental or other independent agencies that confirm that the proposed metal roofing material meets or exceeds the applicable state and county building codes, including the applicable wind codes, then in effect.

Section 19. No boat exceeding:

1. Thirty feet (30') in length or ten feet (10') in width shall be permitted to be docked or tied to or at any waterfront lots which abut both Price's Creek and/or the canal within Riverhaven Village, or
2. Forty feet (40') in length or twelve feet (12') in width shall be permitted to be docked or tied to or at any waterfront lots which abut the Homosassa River.

No boats shall be anchored offshore either in the canals or in the Homosassa River or Price's Creek and when not in use, all boats shall be moved as close to the bank as safety allows to the end that navigation of the river and canals will not be impeded. No boat or other water conveyance shall be operated in any canal, at any time at a speed in excess of 5 m.p.h., or in such a manner as to create hazardous conditions or excessive wake or noise.

Section 20. No seawall, riprap, or other similar construction shall be permitted on the waterfront boundary of any lot without the express written permission of the Association. Any application for permission shall be accompanied by written proof that the permitting requirements of such local or state agencies as have jurisdiction have been met.

ARTICLE VIII.
Maintenance of Premises

Section 1. In order to maintain the standards of this Subdivision, no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere on a residential lot. In the event that any owner shall fail or refuse to keep the premises free of unsightly objects, then the Subdivider or Association may enter upon said lots and remove the same at the expense of Owner, and such entry shall not be deemed a trespass. The property, buildings, improvements and appurtenances shall be kept in good, safe, clean, neat and attractive condition, and all buildings and structures shall be maintained in a finished, painted and attractive condition. Upon failure to so maintain the property, buildings and structures to the satisfaction of the Association, and upon the Owner's failure to make such corrections within thirty (30) days of written notice by the Association, the Association may enter upon the premises and make such improvements or corrections as may be necessary, the cost of which shall be paid for by the Owner. The Association may require the Owner to deposit with it the estimated cost thereof as determined by the Association. If any Owner fails to make payment within thirty (30) days after requested to do so by the Association, then the payment requested shall constitute a lien against the Owner's lot and be foreclosed under Article V hereof as though it were a lien thereunder (except the total amount thereof shall be assessed against such Owner's lot).

ARTICLE IX.
Nuisances

Section 1. Nothing shall be done on any lot or lots which may be or may become an annoyance or nuisance to the neighborhood. In the event of any question as to what may be or may become a nuisance, such question shall be decided by the Association and its decision shall be final.

ARTICLE X.
Remedies for Violations

Section 1. Violations or any breach of any restriction or covenant herein contained by any Owner shall give the Subdivider or Association in addition to all other remedies, the right to proceed at law or in equity to compel compliance with the terms of said restrictions or covenants, and to prevent the violation or breach of any of them. Any delay by the Subdivider or Association in enforcing any of the restrictions or covenants herein contained, no matter how long continued, shall not constitute a waiver of such restrictions or covenants, nor a waiver of its right to enforce them.

ARTICLE XI.
General Provisions

Section 1. Notice to the Association or requests for approval of plans, specifications and location of buildings shall be in writing and delivered or mailed to the Association at its principal place of business as shown by the records of the Secretary of State of the State of Florida.

Section 2. Notice to any Owner of a violation of any of these restrictions shall be in writing and shall be delivered or mailed to the Owner at the address shown on the tax rolls of Citrus County, Florida, or if not shown thereon, to the address of the Owner as shown on the deed as recorded in the public record of Citrus County, Florida.

Section 3. There is hereby reserved for the purpose of installing and maintaining common utility facilities and for such other purposes incidental to the development of the subdivision those easements either of record and/or shown on the plat as "Utility Easements". Any claims or damages, arising out of the construction, maintenance and repair of utilities or on account of temporary or other inconvenience caused thereby against the Subdivider, Association or any of their agents, are hereby waived by the Owners.

Section 4. None of the lots in the Subdivision shall be divided nor sold except as a whole, without the written approval of the Association.

Section 5. The Subdivider reserves the right to modify or amend the plat to correct engineering or survey errors or omissions; re-align, relocate or add to utility easements if required to do so by companies furnishing utilities to the Subdivision, or redesign or relocate roads or thoroughfares. No such amendment will ever eliminate road access to any lot.

Section 6. The Subdivider or Association herein shall not in any way or manner be held liable or responsible for any violation of these restrictions by any person other than itself.

Section 7. The agreements, covenants, conditions and restrictions contained herein shall constitute an easement and servitude in and upon the real property subjected to this instrument, and shall run with the land and shall inure to the benefit of and be binding upon and enforceable by the Association or by any property owner for a period of forty (40) years from the date these covenants are recorded, after which time the same shall be automatically extended for successive period of ten (10) years. Failure of the Association or any property owner to enforce any covenant, condition, obligation, reservation, right, power or charge contained herein, however long continued, shall in no event be deemed a waiver of the said right to enforce thereafter as to the same breach or violation or as to any other breach or violation occurring prior or subsequent thereto.

Amendment. A resolution for the adoption of a proposed amendment to these Restrictions may be proposed either by the Board of Directors or by not less than one third (1/3) of the voting interest of the Association. After such proposal, membership approval of a proposed amendment must be by not less than two-thirds (2/3) of the voting interests of the Association. An amendment adopted by two-thirds (2/3) vote of the voting interest of the Association will be effective when an instrument reflecting the amendment is recorded within the public records of Citrus County, Florida.

ARTICLE XII.
Central Sewage Disposal System

Section 1. A central sewage disposal system has been constructed by the Subdivider and said system shall be owned and operated by the Subdivider pursuant to a Certificate of Convenience and Necessity issued by the Florida Public Service Commission in accordance with its regulations and the rules of Florida. Owner shall be assessed and agrees to pay costs for extending the system to the Owner's lot or lots, hook-up charges and monthly rates pursuant to the rates and schedules approved and adopted by the Florida Public Service Commission.

Section 2. The Subdivider may assign or convey the ownership and/or operation of the central sewage disposal system to other governmental authorities, other private corporations, or the Association, but is not obligated to do so.

IN WITNESS WHEREOF, this Declaration of Restrictions of Riverhaven Village Phase II is executed by the undersigned officers of the Association pursuant to § 720.403-407, Florida Statutes, and by their execution of same the undersigned officers to obligate the Association to perform the duties and obligations as required herein.

**By-Laws

A Corporation Not for Profit under the Laws of the State of Florida

ARTICLE I

General

Section 1. The name of the corporation shall be: RIVERHAVEN VILLAGE PROPERTY OWNERS ASSOCIATION, INC., which shall hereinafter be referred to as the "POA".

Section 2. The Board of Directors of the Corporation (Board) will establish an office to receive mail and other communications directed to the POA. In selection a location for this office the Board will give due consideration to the convenience to the members. The records of the Corporation will be maintained at location(s) determined by the Board. The location(s) selected will allow reasonable access to the records by POA members and by the Board.

Section 3. The fiscal year of the POA shall be from January through December, or such other fiscal year as may be determined by the Board.

Section 4. The corporate seal of the POA shall bear the words: "Riverhaven Village Property Owners Association, Inc. – 1976". An impression of the seal is as follows:

Section 5. Nothing in these By-Laws is intended to impose gender specific restrictions or preference and none should be implemented. The use of gender specific personal pronouns is not to be interpreted as restrictive. For example he also means she and she also means he.

Section 6. If these By-Laws are in conflict with either the Declarations of Restrictions for the lots covered by the POA or the Articles of Incorporation of the POA, the Declarations of Restrictions or the Articles of Incorporation will govern. If these By-Laws are in conflict with Florida Statute, the Florida Statute will govern.

ARTICLE II

Definitions

The terms and words used in these By-Laws will have the same definitions and meaning(s) as when they are used in the Declarations of Restrictions for Phase I (as recorded in Book 419, pages 468 – 485 and Book 437, pages 819 – 822), Phase II (as recorded in Book 532, pages 011 – 025), Phase III (as recorded in Book 554, pages 2075 – 2082), and Tract I (as recorded in Book 1208, pages 739 – 743) and P.

ARTICLE III

Purpose

Section 1. The POA has been organized to perform the following:

- Enforce the deed restrictions set forth in the Declarations of Restrictions for Phase I, Phase II and Phase III and for Tracts I and P.
- Manage, Operate, Maintain, improve and hold title to the common areas.
- Represent the property interests of the members when the Board determines it is appropriate to do so.
- Such other functions as may be necessary or desirable to meet the requirements of applicable Florida Statute, the Declarations of Restriction and/or the Articles of Incorporation.

ARTICLE IV

Membership

Section 1. All owners of record of lots (as reflected in the Public Records of Citrus County, Florida) automatically become members of the POA when they acquire ownership interest in a lot within the area covered by the POA (Phases I, II, III and Tracts I and P). Members must be in good standing to participate in the POA. Failure to maintain a membership in good standing does not relieve a member from the obligations and responsibilities of their membership. When more than one person or entity own interest in a lot, the owners must select a single person to represent the owners and vote or otherwise exercise the powers and privileges associated with membership in the POA. Transfer of ownership interest in a lot, either voluntary or by action of law, will automatically terminate the membership in the POA of the former owners of the interest.

Section 2. In the event of dissolution of the POA for any cause, members in good standing at the time of such dissolution are entitled to participate in the distributable assets to the extent of their membership interest in the POA.

ARTICLE V

Voting Rights

Section 1. Voting rights and active participation in annual and special meetings of the membership are limited to members in good standing and will be governed by the following criteria. Votes may be cast only by members in good standing. A 'Member in Good Standing' is the owner of record of a of a lot in Riverhaven Village covered by the POA and who has paid in full the dues and assessments on their lot on or before the date or dates established by the Board for these payments. Each lot is entitled to one vote. The vote may be cast in person by an owner of the lot or, in the case of multiple owners of the lot, by the representative of the owners or by proxy. All proxies must be in writing and signed by an owner of the lot or by the designated representative of the owner. The proxies must be filed with the Secretary and will be recorded by the Secretary in the minutes of the meeting. Votes are not cumulative, either for Directors or on other matters.

ARTICLE VI

Meetings of the Members

Section 1. Annual Meeting of Members: A meeting of the members of the POA will be held annually on the first or second Wednesday of February at the Riverhaven Village Community Club or at another place and/or time selected by the Board with due consideration to the convenience of the members. Directors will be elected by the members at the annual meeting, the budget for the current fiscal year will be presented, and such other matters as may be appropriate will be discussed and/or decided by vote.

Section 2. Special Meetings: Special meetings of the membership may be called by the Board President (or in the Presidents absence by the Vice President), or by a majority of the members of the Board of Directors, or by a majority of the members in good standing of the POA.

If a majority of the members in good standing request that the President call a special meeting of the membership, the President (or in the Presidents absence by the Vice President) will do so. The request must be in writing and include the signatures of the members requesting the meeting. The request must also clearly state the reason for the meeting and identify any issues to be discussed and/or resolved at the meeting.

Section 3. Notice to the members in good standing of any annual or special meeting of the membership will meet the following minimum requirements:

- Specify the time and place of the meeting.
- Identify subjects to be covered at the meeting.
- Notification to the members will be made by mail at the current address shown in the records of the POA. The Secretary of the POA will assure that the notification is mailed at least fifteen (15) days prior to the meeting.

Section 4. The President (or the Vice President in the Presidents absence) will preside at all annual and special meetings of the membership. When the board determines that it is appropriate, another individual may be designated to preside at a specific annual or special meeting of the membership.

Section 5. A quorum of members in good standing must be present at annual or special meetings in order for the meeting to begin. Members in good standing may be present in person or may be represented by proxy for the purpose of determining if a quorum is present. A quorum for the transaction of business at annual or special meetings shall consist of 33 1/3% (one third) of the members in good standing at the time specified by the Board for the meeting. This requirement is necessary to facilitate the administrative tasks necessary to determine the standing of each member.

If the required quorum is not present at an annual or special meeting of the membership, another meeting for the same purpose may be called, and the required quorum for this meeting will be 25% (one quarter) of the members in good standing at the time, prior to the meeting, specified by the Board to facilitate administrative tasks relative to determining members in good standing.

When a quorum is present at an annual or special meeting, the majority of the voting rights present in person or by proxy shall decide any question properly brought before the meeting except where applicable statute or these By-Laws require a different vote. Where a different vote is required, such express provisions will govern and control the determination of such question.

Section 6. The secretary of the POA will furnish and certify a list of all members in good standing at the time specified by the Board for each annual and special meeting. The list will include the number of votes which the member may exercise at the meeting by virtue of ownership of more than one lot.

ARTICLE VII

Board of Directors

Section 1. The affairs, business and property of the POA will be managed by a Board of Directors with nine (9) members. Members of the Board of Directors must be members in good standing of the POA. If a Director loses his or her status as a member in good standing, he or she automatically lose their membership on the Board. A person cannot be elected to serve as a Director unless they are a Member in good standing of the POA.

The Directors will serve terms of three (3) years. The terms of the Directors will be staggered so that three (3) Directors are chosen for full three (3) year terms at each annual meeting. When a Director does not serve the full term for which they were elected, the Board will appoint a replacement to serve the balance of the term.

A Director may not serve more than two (2) terms. Appointment to a partial term is considered to be a full term for determining eligibility. Likewise, election to a full term and not completing the term is considered to be a full term.

Incumbent Directors who were elected prior to the Annual meeting of February 2000 will serve the full terms to which they were elected. The required staggering of Directors terms will be restored by electing Directors to short terms as necessary to obtain the condition of three Directors elected to three year terms at each annual meeting as quickly as practical. The Board will assure that this is accomplished as quickly as possible and in a fair and equitable manner.

Section 2. The annual meeting of the Board for the election of officers will be held within three (3) days following the Annual Meeting of the Members. The incumbent Board members will serve until their replacements are seated at this meeting.

Section 3. The Board will meet monthly. The monthly meetings of the Board will be on the third Wednesday of each month. The place of these meetings will be determined by the Board. The time and place of these meetings may be changed by the Board with due consideration to allowing all members to plan their schedule to facilitate attendance.

Section 4. Special meetings of the Board may be held at such time and place as the Board may designate. Such meetings may be called by the President, or in his or her absence, by the Vice President, or by any two members of the Board. Notice of special meetings of the Board shall be given by the Secretary to each director by mail not less than five (5) days prior to the meeting, or personally not less than twenty-four (24) hours prior to the meeting. By unanimous consent of the Board, special meetings may be held without notice at any time and place.

Section 5. A quorum for the transaction of business at any regular or special meeting of the Board shall consist of a majority of the members of the Board. A majority of the Directors present at any regular or special meeting shall have power to adjourn the meeting to a future time.

Section 6. The officers of the POA will be elected at the meeting of the Directors following the Annual Meeting of Members of the POA. The officers will serve for approximately one (1) year until their successors are elected and qualified. Officers must be members of the Board of Directors. An Officer may be removed at any time by a two thirds (2/3) vote of the full Board of Directors. An Officer may be removed at any time by a two thirds (2/3) vote of all members in good standing of the POA present at the Annual or at any Special Meeting of the Members called for the purpose of considering such removal.

If a Director is absent from four (4) consecutive duly called and noticed regular and/or special meetings of the Board for reasons other than ill health or absence from the country, the Board may in its discretion declare the office of such director vacated by reason of neglect, and appoint a successor as provided by these By-Laws. Specific notice of the intent to fill a vacancy on the Board at any Regular or Special Meeting of the Board is not necessary in the notice of the meeting.

Section 7. The Board may, by resolution, appoint members of the Board as an Executive Committee to manage the business of the POA during the interim between meetings of the Board. The Executive Committee shall keep records of its meeting.

Section 8. Directors or Officers may not be compensated for their services in such capacity. A Director may, however, receive reimbursement for out-of-pocket expenses as approved by the Board.

Section 9. At each Annual meeting of Members, the Board will report on the activities of the prior year, the financial condition of the POA and the condition of POA property.

Section 10. The Board shall have such additional powers and authority as provided in these By-Laws and as are conferred by the Articles of Incorporation of the POA, the laws of the State of Florida, and the Declaration of Restrictions now or hereafter governing the use, enjoyment and maintenance of the lots in the subdivision.

Section 11. The Board may propose special assessments. Approval of a majority of the membership voting on the assessment is necessary for the special assessment to be levied. The vote may be at a membership meeting or by mail ballot. All votes on special assessments are subject to the quorum requirements of a membership meeting.

Section 12. Each Director and Officer of the POA now or subsequently serving as such, shall be indemnified by the POA against any and all claims and liabilities to which he or she shall become subject by reason of serving or having served as such Director or Officer, or by reason of any action alleged to have been taken, omitted, or neglected by him or her in connection with any such claim or liability, provided, however that no such person shall be indemnified against, or be reimbursed for any expense incurred in connection with, any claim or liability arising out of his or her own willful misconduct or gross negligence.

The amount paid to any officer or director by way of indemnification shall not exceed his or her actual, reasonable, and necessary expenses incurred in connection with the matter involved.

The right to indemnification for above shall not be exclusive of any rights to which any director or officer of the POA may otherwise be entitled by law.

ARTICLE VIII

Section 1. Section 3. Election Committee: The process of voting for the election of Directors will be directed, monitored and controlled by an Election Committee of six (6) POA Members in good standing. The members of the committee cannot be Directors but will be selected by the Board to represent a cross section of the POA membership. One Director will be selected to function as the liaison between the Board and the committee and provide needed support and coordination.

The Election Committee will be responsible for the following: 1.) Verification of eligibility to vote. 2.) Distribution of ballots. 3.) Collection of ballots. 4.) Counting of votes. 5.) Certification of election results. 6.) Maintaining custody and assuring the security of election materials and ballots. 7.) Recounts of ballots if required.

Re: Riverhaven Village Phase II Property Owner's Association

Dear Mr. Tankel:

The Florida Department of Economic Opportunity (DEO) has completed its review of the proposed revived declaration of covenants and other governing documents for the Riverhaven Village Property Owner's Association Phase II. and has determined that the documents comply with the requirements of chapter 720, Part III, Florida Statutes. Therefore, the proposed revitalization of the homeowners documents and covenants is approved.

Section 720.407(1), Florida Statutes, requires that no later than 30 days after receiving this letter, the organizing committee shall file the articles of incorporation for the Riverhaven Village Property Owner's Association Phase II. with the Division of Corporations of the Department of State if the articles have not been previously filed with the Division. Also, section 720.407(2), Florida Statutes, requires that the president and secretary of the Association execute the revived declaration and other governing documents in the name of the Association. The approved declaration of covenants, the articles of incorporation, this letter approval, and the legal description of each affected parcel must be recorded with the clerk of the circuit court in the county in which the affected parcels are located no later than 30 days after receiving approval from the Division of Corporations.

Section 720.407(4), Florida Statutes, requires that a complete copy of all of the approved, recorded documents be mailed or hand delivered to the owner of each affected parcel. The revitalized declaration and other governing documents will be effective upon recordation in the public records.
