# WELCOME

Virginia Railway Express (VRE)  
is a commuter rail system serving  
Central and Northern Virginia  
and the District of Columbia.

Our mission is to provide safe,  
cost-effective, accessible, reliable,  
convenient and customer-  
responsive commuter-oriented  
passenger rail service. We invite  
you to relax and enjoy the ride!

## **SCHEDULE**

VRE operates Monday through Friday, primarily traveling northbound toward Washington, DC in the morning, and southbound toward Manassas (along I-66) and Spotsylvania (along I-95) in the evening. VRE does not operate on weekends or Federal holidays. VRE follows “S” train schedules (see pages 18–19 and 22–23) during times of inclement weather or other service disruptions, and on the days after Thanksgiving, Christmas Eve (when it falls on a weekday) and the weekdays between Christmas and New Year’s Day.

## **COURTESY**

Please be considerate of others while riding VRE trains. Remember to place your belongings under your seat or in the overhead racks. Please refrain from placing your feet, beverages or umbrellas on the seat beside you. Saving or blocking seats is not permitted.

## **QUIET CARS**

A Quiet Car is offered on every train – it’s the car closest to the engine. While a Quiet Car is not completely silent, its passengers must refrain from talking on phones, keep sounds from cell phones, laptops and other electronics turned off, and speak only in short whispers. Seating is available on a first come, first served basis. Passengers not wishing to be quiet may move to another car.

**Note:** Quiet Car is a registered service mark of Amtrak.

## **BICYCLES**

Collapsible bicycles are permitted on all of our trains. Full-size bicycles will only be allowed on the last three northbound, the mid-day, and the last three southbound trains on each line: trains 310, 312, 314, 301, 311, 313 and 315 on the Fredericksburg Line, and trains 328, 330, 332,

336, 338, 321, 325, 333, 335 and 337 on the Manassas Line.

- Bicycles must board at the northernmost car on the train and use the southern half of the car.
- No more than two bicycles are allowed on the car. If the car already has two bikes on board, you cannot bring your bike on the train and must wait for the next one.
- Bicycles must be tethered to the south end bench seats (distinguishable by only having four folding seats) using a bungee cord attached to the eyelet on the seat frame. Bicyclists are responsible for securing their bicycles.
- The bench seating on the north end of the car is priority seating for passengers with disabilities. This area is located directly across from the restroom and cannot be used for bicycles.
- If the bench seating for bicycles is occupied by passengers, the bicycle rider may ask the passengers to vacate the seat or ask the conductor for assistance if the passenger is unwilling to move. The priority will be for the bicycles.
- For the safety and convenience of our other riders, bicycles will be boarded and removed last – after all other passengers have boarded or detrained.
- Passengers are not permitted to ride bicycles on the platforms or trains.
- Bicycles must be clean and free of grease.
- VRE is not responsible for the security of bicycles brought on board.

## **FOOD AND BEVERAGES**

Food and non-alcoholic beverages may be consumed on board trains. Please dispose of all food, drinks, wrappers and containers in proper receptacles.

## **RECYCLING**

Please dispose of newspapers in recycling bins on platforms where available.

## **NO SMOKING**

Smoking, e-cigarettes and vaporizers are not permitted on board. Smoking is also limited to the first 100 feet at the north end of station platforms. Please refrain from smoking until you are well away from the train and disembarking passengers.

## **BAGGAGE AND PARCELS**

Items that do not cause safety hazards or inconvenience other passengers are permitted on board trains if placed under your seat or in the storage racks. Please ask the conductor about storing oversized belongings before you board. Please be sure to keep track of your bags and take them when you detrain. Unattended baggage is considered a security risk and should be reported to the conductor. We encourage our riders to put identification tags on all their bags.

## **LOST AND FOUND**

VRE is not responsible for lost items or lost tickets. Lost items/tickets are not only an inconvenience, but also a security risk. Be sure to mark your belongings, including jackets and umbrellas, with your name and phone number and include your business card in your ticket holder. You can do your part by remembering to take your belongings with you.

To report a lost item or ticket, visit [www.vre.org](http://www.vre.org) and fill out a lost item or lost ticket report, or call VRE at (703) 684-1001 during normal office hours (Mon–Fri, 6 a.m.–7 p.m.).

## **CELL PHONES**

Cell phones are permitted on trains. Please be considerate of other passengers by holding your voice down and keeping conversations to a minimum.

## **CHILDREN AND YOUTH**

All children under 12 years of age must be accompanied by an adult and must be seated at all times while the train is in motion. Children 10 years of age and younger accompanied by a fare-paying adult may ride free of charge.

## **ACCESS FOR PERSONS WITH DISABILITIES**

## **VALIDATE YOUR TICKET BEFORE BOARDING**

**Please Note: Tickets are not available for sale on board VRE trains.**

Virginia law (Section 18.2-160.1) requires passengers to purchase and validate tickets prior to boarding the train. Single-Ride, Ten-Ride and Free Ride Certificates must be validated PRIOR to boarding for each ride in one of the platform Ticket Vending Machines for paper tickets. Validating will print the date and time of the validation on the ticket, and will deduct one ride. The Day Pass and Five-Day Pass must be validated prior to the first ride. The Day Pass is good for travel all day on the day validated. The Five-Day Pass is valid for five consecutive service days, skipping weekends and holidays. Passengers should write their names on their paper Monthly Tickets to validate or affix monthly Transit Link Card (TLC) stickers to their SmarTrip® cards. Monthly Tickets and TLCs are non-transferrable.

VRE Mobile tickets must also be validated PRIOR to

boarding. To validate, simply select the ticket you wish to use from the “My Tickets” section, then tap “Use Ticket”.

Tickets must be displayed at all times and available for inspection by the conductor or other authorized VRE representative. Passengers observed on board without a valid ticket are subject to a fine of up to \$100 plus court costs. In the event that you are unable to validate your ticket, please notify a crewmember **prior** to boarding the train.

Section 04.04.00 of the VRE passenger tariff states: “REQUIREMENT TO PRODUCE IDENTIFICATION – Non Fare-Exempt Passengers who refuse or who are unable to produce a valid ticket will be asked by Train Service Personnel to produce (for the purpose of issuing a summons) valid personal identification, including name and current address. Passengers who cannot or will not produce personal identification when requested to do so are subject to being evicted from the train at the next station stop or being remanded to the custody of the proper authorities.”
